Here's how it works:

Earning a total of 75 points is needed to graduate a Green Scholar. **Keep track of your points and email this form to Amber Stoian at** <u>stoiana@gtc.edu</u>. The last day to submit points for this academic year will be November 19, 2019 for December graduation and April 1, 2020 for May graduation. At graduation, our Gateway Green Scholars will graduate with the Green Scholar distinction as well as each participant receives a gift in appreciation. Again, thank you for being part of the solution!
