

*Internal Certificate*      **2013-2014**

**Horticulture  
Kenosha Campus**

**HORTICULTURE THERAPY  
CERTIFICATE  
(90-001-6)**

**12 Credits**

Horticulture therapy is the professionally-directed use of plants, gardens, and nature activities to achieve measureable physical and mental health outcomes for clients. Horticultural therapists practice in hospitals, rehabilitation and vocational facilities, skilled care agencies and senior centers, community gardens, botanic gardens, schools, horticultural businesses, prisons, and other settings.
