**ACCOUNTING FOR VITAL COMMUNITIES
CERTIFICATE
(90-101-3)**

13 Credits

This certificate will enable those who complete it to develop an appreciation for working to the benefit of their community, both locally and in the larger world-wide sense. Traditionally, accounting programs focus on teaching for-profit financial and management accounting with the idea of maximizing profit and don't take into account the impact of those practices on the stakeholders in their community.
