

**Internal Certificate 2012-2013**

**Health Occupations  
Elkhorn-Kenosha-Racine Campuses**

**INTRODUCTION TO HEALTH OCCUPATIONS  
CERTIFICATE  
(90-501-1)**

**4 Credits**

- The Introduction to Health Occupations Certificate is a series of courses designed to provide the learner with basic information about the Gateway educational environment as well as an introduction to the language of medicine and health occupations. It is designed for anyone who would like to learn general information about the health care system, select health care occupations, and beginning language of medicine.
- This certificate is generated as part of the Health Professions Opportunity Program. Students who wish to be enrolled in the program will be required to take introductory courses to better inform them regarding the health care field and Gateway Technical College.
