SUPERVISORY MANAGEMENT

(10-196-1)

Associate of Applied Science Degree
Most Courses Offered at Elkhorn
and Racine Campuses & Online

diness Management & Administration

PROGRAM DESCRIPTION

Supervisory Management provides opportunities for those interested in acquiring or improving managerial/supervisory skills. The curriculum provides a blend of human relations and management development disciplines. This background enables the supervisor or manager to better understand how to attain organizational goals through the positive motivation of employees. Emphasis is placed on the "how-to-approach" which allows the instruction to be transferred from the classroom to the job.

PROGRAM LEARNING OUTCOMES

Graduates of the Supervisory Management Associate Degree Program should be able to:

- Demonstrate oral and written communication skills essential for effective supervision.
- 2. Show supervisory leadership skills.
- 3. Apply computer software/hardware to supervisory functions in the work place.
- 4. Develop, appraise, and motivate employee performance.
- 5. Use decision-making and problem solving skills in a team setting.
- 6. Plan and perform human resource activities.

CORE ABILITIES

Gateway believes students need both technical knowledge and skills and core abilities in order to succeed in a career and in life. The following nine core abilities are the general attitudes and skills promoted and assessed by all Gateway programs. All Gateway graduates should be able to:

- 1. Act responsibly
- 2. Communicate clearly and effectively
- 3. Demonstrate essential comp. skills
- 4. Demonstrate essential math skills
- 5. Develop job seeking skills
- 6. Respect themselves and others as a member of a diverse community
- 7. Think critically and creatively
- 8. Work cooperatively
- 9. Value learning

ADMISSION REQUIREMENTS

- 1. Students must submit an application & \$30 fee.
- 2. Students must complete reading, writing, math, and computer skills placement assessments.
- 3. Students must submit official high school, GED, or HSED transcript.

GRADUATION REQUIREMENTS

- 1. Minimum 69 credits with an average of 2.0 or above.
- 2. *Average of 2.0 ("C") or above for these major courses.

For a complete list of Graduation Requirements check the Student Handbook.

NOTE

- 1. Choose 3 credits from the following courses: 103-102; 103-109; 103-112; 103-110 or 103-143.
- A satisfactory placement test score (or successful remediation) is required prior to enrollment. See an advisor for details.
- Enrollment for this program is intended for people currently employed in a
 position closely related to Supervisory Management or who wish to acquire skills
 to become a supervisor.
- 4. Any course may be taken prior to entry in the program, assuming prerequisites and corequisites have been satisfied (or waived with department approval).
- 5. It is recommended that students enroll in 196-129 Management Orientation as the first course in the program.

OTHER INFORMATION

Gateway Technical College reserves the right to modify curriculum requirements for students who interrupt enrollment for a period of two years or take over seven years to complete. Tuition and material fees are determined by the board of the Wisconsin Technical College System. Consult the Master Class Schedule for exact fee amounts. Occasionally, the District may offer a particular course out of published sequence. By doing so, the District does not obligate itself to offer succeeding courses out of published sequence.
