**Gateway student IT group
to host family game nights**

Looking for a family-friendly activity that's also family-friendly on the pocketbook?

Gateway Technical College's student chapter of the Association of Information Technology Professionals will host family game nights 5:30 p.m. to 9 p.m. Feb. 28 and March 28 in the student commons area of the Kenosha Campus, 3520-30th Ave.

The student group will provide Xbox, Playstation, Wii and LAN systems to be used. Attendees are also encouraged to bring their own system, video games or board games to play at the event.

Admission is free, but refreshments will be available to purchase to help support AITP. The commons is located in the connecting hallway to the west of the Academic Building.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
