## Bookstores

The Follett Bookstores at Gateway offer a complete selection of new and used text books, school supplies, school-related software and clothing. Be sure to bring your class schedule to the bookstore when purchasing books and materials for classes. While it is not mandatory to do so, students may find it advantageous and convenient to purchase the necessary supplies from the Follett Bookstore at each campus. Students may also purchase course materials online using [efollett.com](http://efollett.com).

### Bookstore Refund Policy

New or used textbooks may be returned for refund or exchange within seven (7) calendar days from the start of class. Short-term and interim classes have two (2) calendar days from start of class for refund or exchange provided:

- Books are in purchased condition; shrink wrapped materials and sealed disks or CDs must not be opened.
- Dated cash register receipt is required.
- Books need to be returned to bookstore where purchased.

Your refund will be processed in the currency it was purchased. For example, if you purchased your books/supplies with cash, a cash refund will be given. If you purchased your books/supplies with your Financial Aid Authorization, your refund will be credited to your student account and refunded through your Higher One card.

If your text is not refundable, it may be eligible for Buy Back. Follett Bookstore buys back texts every day, although the best value is usually at the end of each semester. All other store purchases may be returned for refund or exchange within seven (7) calendar days, provided they are in purchased condition and with dated cash register receipt. Special orders may require payment at time of order and are not eligible for refund.

In order to keep bulletin boards and information posters current, any outdated information will be removed.

## Campus Safety

### Emergency Notification System

Gateway Technical College's "AlertMe," emergency notification system will alert all persons with a Gateway Technical College email address and other subscribers with a text message in the event of a dangerous situation occurring at one of the Gateway locations. In addition to the email and text alerts the "Alertus" beacons, which are located throughout all of Gateway's buildings, will sound in the effected building(s). Once the situation no longer presents a threat an "all clear" message will be sent.

Students are strongly encouraged to sign up for the text service at [gtc.edu/alertme](http://gtc.edu/alertme) as soon as possible in order to receive text alerts. If you have previously enrolled in "AlertMe" you will receive a reminder text message from the system approximately one month prior to your enrollment expiration. All students are encouraged to log into the "AlertMe" system to verify your enrollment if you are unsure of your current enrollment status. Note: If your cell phone provider charges for text messages received, there will likely be a cost associated with this service-check with your mobile phone provider.

## Security Reports

Gateway Technical College encourages all persons to take an active role in ensuring the safety of the campus community. If you observe or are victim of an incident on campus, Gateway encourages you to directly file a report by completing an on-line Security and Incident report at [gtc.edu/safety](http://gtc.edu/safety) or in person at campus security. Examples of items to submit through this reporting system would include: safety concerns, criminal law violations, violations of college policy, academic cheating, property damage, personal injuries and violations of the student code of conduct. Persons completing a report may remain anonymous if they desire.

## C.A.R.E. Team

The mission of the Communication, Awareness, Referral and Evaluation Team (CARE Team) is to contribute to a safe campus environment by reducing potential threats through the identification, assessments, and management of behavioral concerns.” This multidisciplinary team will assess available information regarding an individual student (or employee) and determine an appropriate course of action. By intervening with a student or employee who has exhibited behavior that is of concern, we hope to prevent escalation of disturbed or disturbing behavior and ultimately limit future acts of violence. Members of the campus community are strongly encouraged to report persons of concern by completing a Security/ Incident report at [gtc.edu/safety](http://gtc.edu/safety). Persons completing a report may do so anonymously but are encouraged to identify themselves so that contact may be made if additional information is required. If you observe or hear ANY behavior that causes concern (no matter how small or limited your direct knowledge maybe) please complete a Security/Incident Report to alert the college.

## Emergency Response Plan

Gateway Technical College has developed Emergency Response Plans (ERPs) for each of the campuses that can be found at [gtc.edu/safety](http://gtc.edu/safety). These plans include an outline of the college’s processes for responding to a campus or district incident. They also include a “checklist” of responses to typical incidences that may occur on campus. The college provides a flip chart of these checklists in each of the building classrooms, meeting rooms and office complexes. Students may find additional information by self enrolling to the “Safety and Security” BlackBoard (Bb) site located in the communities section of Bb.

## Emergency Website

In case of an emergency that would impair the college’s ability to use its own website for communication with the public, please go to the emergency website <http://emergency.gtc.edu> for important information.

## Career Services

If you are unsure what program you would like to pursue, help is available from Career Services. You may access career planning services through an individual career counseling session or in the form of a Career Planning Workshop. Career assessments are available to help you align your interests and skills with a potential career and Gateway program.

Career Services is also dedicated to teaching you the skills necessary to find employment during the academic year and after you graduate. Job Seeking Skills Workshops are offered to help with resume writing, interviewing skills, and provide resources for obtaining labor market information. Access a wide variety of job opportunities from local and nationwide employers through Wisconsin TechConnect, an internet-accessible database specially developed for the Wisconsin Technical College System. TechConnect is located at [gtc.edu/techconnect](http://gtc.edu/techconnect). To register and see job postings you must be a current student or graduate. After registering you will automatically receive email with new job postings in your area for up to six months.

Use Wisconsin TechConnect's Resume Bank feature to upload your resume. When an employer posts a job on TechConnect that matches your program of study, your uploaded resume will automatically appear in the employer's Resume Bank for that job posting.

If you would like your resume reviewed before posting it, make an appointment with a career counselor. For more information on career services or to make an appointment with a career counselor, please contact Student Services.

## Computer Labs

There are computer labs on each campus. Each computer lab is equipped with computers that have software to support Gateway program curriculum and have access to the Internet. Every currently enrolled student has access to the computer labs. Open computer lab hours are posted outside each lab.

In addition, Gateway locations without open computer labs have computers available in other areas such as the library, the commons, or other locations. These computers have basic office applications installed as well as access to the Internet.

## Computer Software

Students may purchase discounted software through the Wisconsin Integrated Software Catalog at [wisc.edu/wisc](http://wisc.edu/wisc), select “Gateway” in the WTCS Students drop-down box; read and agree to licensing terms; and fill out the online order form. Information is also available in Student Services. Reproducing computer software without authorization violates the U.S. copyright laws. It is a federal offense. The money paid for a software product represents a license fee for the use of one copy. It does not represent an authorization to copy. Civil damages for unauthorized software copying may be imposed.

## Gateway Green Print

In order to meet increasing demand for printing services, Gateway is implementing a low-cost, green print program starting fall 2012. This initiative is expected to reduce unnecessary printing costs.

Each semester registered students will receive a \$10 credit of non-refundable Gateway Print Points on their Gateway Student ID card. Students will be required to swipe their card to print at any college printer.

#### Costs:

Single-sided, black & white print or copy: 5¢

Double-sided, black & white print or copy: 7¢

Single-sided color prints or copy: 50¢

Double-sided color prints or copy: 75¢

There will be no charge for scanning to email.

Double-sided printing will be the default setting on all printing devices.

If a student does not have sufficient funds on his/her account, a job will not be released. The student is responsible for adding additional funds to their account via their online account or kiosk stations. Kiosk locations and directions for logging into the online account center are available at [gtc.edu/printing](http://gtc.edu/printing).

Students enrolled in programs with a higher material fee may receive an additional print credit.

The \$10 credit will be allocated the first day of each term. This credit will expire/dissolve the day before the start of the next term. Students and community members may also purchase pre-loaded cards sold at the kiosk stations.

## Housing

Gateway does not have dormitory facilities for students. It is a student's responsibility to arrange for room and board if they will be living away from home. Students moving into local housing are advised to register their address with the Student Services office on the campus they attend.

## Library

Libraries are located on the Elkhorn, Kenosha, and Racine campuses. Students have access through an online catalog to over 50,000 print, electronic, and audiovisual materials; audiovisual and computer equipment; and electronic book, periodical, and film databases. Students studying at home can access the library's online catalog, electronic databases, and selected world wide web resources through the Library section of the Gateway website at [gtc.edu/library](http://gtc.edu/library) and through the Library tab in Blackboard available after login. Students are able to request materials from other campuses or other libraries in person, by phone, or via e-mail. The library staff is available to assist students with research and information seeking needs, in addition to explaining the extensive services and resources that are available. Users are reminded that abuse of library borrowing privileges or other library policies may result in revocation of patron's borrower card and/or use of library facilities and services. Library hours of operation, policies, and extensive list of services offered are posted on their webpage: [gtc.edu/library](http://gtc.edu/library).

## Lockers

Lockers are available on the Kenosha and Elkhorn campuses for students who would like the convenience of storing coats, books, and materials while on campus. Students can get information on lockers from Student Services. In Kenosha, students should use their own lock. Locks and contents not belonging to the individual assigned to the locker will be removed. All items will be cleaned out of the lockers at the end of the semester and contents destroyed. The College reserves the right to search or inspect lockers at any time.

## Lost and Found

Students who have lost or found something should contact Lost and Found which is located in Room 111 Building Services Office in Elkhorn and Student Services in Burlington, Kenosha and Racine.

## Medical Coverage

Student health insurance is available at minimal cost. Information concerning student insurance cost and coverage is provided through brochures available at Student Services. All students are expected to have adequate health insurance coverage.

## Accident Insurance Coverage

If a student is injured on Gateway premises, medical insurance coverage is only available if the injury is deemed a direct result of negligence on the part of Gateway and/or its employees or agents, and said negligence is the primary cause of the injury.

Beginning with the Summer 2012 term Gateway has implemented a mandatory Student Accident Insurance coverage through Gallagher Koster. The Accident Insurance covers any accidents related to student's time on campus or in college-sponsored activities (i.e. clinicals, etc.) as long as the student is enrolled in a least one eligible course. All students enrolled in at least one post-secondary eligible course will be automatically enrolled in this plan. Students taking only online classes are not eligible for the Accident Insurance. Visit [gtc.edu/accidentinsurance](http://gtc.edu/accidentinsurance) for more information.

## Online Student Services – My Gateway

### My Gateway Password

My Gateway password is the single password that you will use to log in to and access the following accounts: WebAdvisor, Blackboard, Gateway student e-mail, and the Gateway wireless network. Even though the same password is used, you have to log in to each online service individually.

Additionally, the security question is a method of confirming your identity, either by the Internet or phone.

It is a good idea to keep the security question unknown to no one but you – anyone who has this information along with your student ID, last name and birth date will assumed to be you. If you have further questions about this, please contact Student Services.

### How do I get a “My Gateway” password?

Set up your security questions and answer with Gateway’s Student Services. You can complete the Security Question and Answer form when you register for classes in Student Services. You will need the security question and answer to access your account for the first time and to reset your password. In addition, you may request a new or replacement My Gateway password through WebAdvisor’s “What’s My Password?” link.

### Forgot your password or did not receive a password?

Click on the WebAdvisor icon, then click on the “What’s My Password” link on the bottom of the page and follow the directions. You have three options:

- Fill in the first section (student ID, last name, and birth date) and check the box in the second section to have your password sent to you via US Postal Service. -or-

## Wireless Computer Information

Gateway offers all students free access to the college network and the Internet. In order to eliminate the need for students to continually log in to access Gateway’s wireless network, the college has implemented the XpressConnect system.

XpressConnect is designed to assist students in securely setting up their personal devices to access Gateway’s network. You will not need to run XpressConnect every time you come to Gateway—once the setup is complete, your device will automatically connect to the secure wireless network on every campus.

Please follow the instructions below to access the wireless network.

The XpressConnect software supports Windows 7, Windows XP, Mac OSX, iPhone/iPad, Android devices, and Ubuntu.

1. Connect to the GTC-Guest network and open a Web browser.  
 DO NOT enter an e-mail address.
2. Click the “student” link.
3. The XpressConnect Wizard will begin. Check the license agreement box and click “start.”
4. Enter your student ID number and click “continue.”

5. After continuing, you may experience a “user account control” popup, asking if you wish to allow changes to be made. If this happens, click “yes.” Mac users be prompted to enter their Mac password and authorize the changes.
6. When the XpressConnect Wizard completes the setup, you will be connected to the 475443 network. This is Gateway’s secure wireless network for students.
7. Any time you are at a Gateway facility, you will be automatically connected to this network – you do not need to connect to any other wireless network.

Q: Will I need to log in every time I want to access the network?

A: No. You do not have to log in after running through the XpressConnect Wizard.

Q: What do I do if I am unable to log in to the wireless network or if I am frequently disconnected from the wireless network?

A: Contact the Gateway Technology Support Center at 800.353.3153.

Q: What happens if I change my password?

A: If you change your password, the next time you try to access the network, you will be prompted to provide that password. Enter the new password and click “OK.” Your password will be saved and your device will begin connecting automatically to the network again.

Questions about wireless access? Contact the Gateway Technology Support Center at 800.353.3153.

## Parking

Lighted parking is available on all campuses. Vehicles should be locked and students should avoid keeping valuables in unattended cars. Students are cautioned against parking in unauthorized areas as their cars will be ticketed or towed. Specifically designated parking areas have been reserved for disabled individuals. Only those with a special permit available from the Wisconsin Motor Vehicle Department are allowed to park in these areas. All others will be ticketed and fined by the local police department.

## Enforcement

- Campus Security shall enforce all College parking regulations and applicable state parking regulations and laws.
- Parking fines shall be assessed for each violation as follows:
  - Handicapped space use violation: Tickets (issued by the city police department)
  - Improper parking: \$10
- Parking ticket fines shall be paid in Student Services. Outstanding student parking fines will be applied to the student's account.
- Names of College employees who violate the parking policy will be submitted to their supervisor for counseling.
- Vehicles may be towed at the owner's expense for the following reasons:
  - Abandoned/disabled vehicles
  - Illegal parking including unauthorized use of a handicapped space or reserved space.

## Appeal Process

Students may appeal the Gateway issued citation through the student due process procedure.

## Services for Students with Disabilities

In accordance with the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973, Gateway special needs staff provide a full range of support services/ reasonable accommodations at the request of the student with documented disabilities. This is to give all students equal access to learning opportunities at Gateway Technical College in order to reach their educational goals. Special needs services should be requested before the start of classes to allow adequate time to review documentation and to facilitate accommodations.

“The term ‘disability’ means, with respect to an individual –

- (a) a physical or mental impairment that substantially limits one of more of the major life activities of such individual;
- (b) a record of such impairment; or
- (c) being regarded as having such an impairment.” (P.L. 101-336, Sec.)

## Procedure to Receive Services and Accommodations

- Collect your disability documentation – see the Gateway website for the information needed from your doctor which specifies how your disability may affect learning.
- Contact Student Services on your campus for an appointment to see a special needs staff member to assist with verification of documentation and the transition process.
- Bring disability documentation to the appointment.

### Student ID Cards

The Gateway photo ID card – GatewayCard – is the property of Gateway Technical College, serving as the official form of College identification. The following applies:

- All students (registered in a course more than 4 weeks in length) and staff are required to have a GatewayCard.
- It must be carried at all times and presented to Gateway staff and/or security personnel upon request.
- Failure to present a valid GatewayCard may result in a request to leave the premises.
- Security personnel may verify identity with Student Services if student fails to present valid GatewayCard.
- The GatewayCard is nontransferable.
- The GatewayCard may be confiscated and/or disciplinary action taken if presented by someone else for use or altered in any way.
- Students in courses off-campus are not required to have a GatewayCard.

To report a lost or stolen GatewayCard, contact Student Services immediately. GatewayCards that are damaged or defaced are no longer valid and must be replaced. There is no charge for your initial card. To replace a lost or stolen card, there is a \$5.00 charge.

### Visitors, Guest Speakers, and Children on Campus

Visitors and guest speakers shall be permitted to visit classes offered by the Gateway District with prior consent of the instructor. Consent and permission for visitors will be granted only for the purpose of becoming knowledgeable about a course or oriented to the educational mission of the Gateway District. Students are not allowed to bring a child or children to a class. Furthermore, students, visitors, or guest speakers are prohibited from leaving a child under the age of sixteen (16) years unattended in Gateway District facilities unless the child is enrolled in a class or program. Greater restrictions may apply in computer labs, program labs, and other areas of the College that may be restricted to students only or are unsafe.

### Weather Closings

In case of bad weather, do not assume that classes are canceled. More than likely, classes will be held as scheduled. Information on campus closings is available at [gtc.edu](http://gtc.edu) or at **1-800-353-3152**. During bad weather conditions, students are encouraged to use their own judgment in regard to distance, safety, and road conditions.

Each campus is closed on an individual basis, depending on each county's weather and road conditions.

**Classes Cancelled** means no classes will be held, but buildings are open/staff to remain or report to work stations.

**Campus Closed** means the buildings are closed.

**Building Emergency** means building(s) evacuated, return or dismissal determined by campus dean or designee.

Students can also listen to Gateway's radio station WGTD 91.1 FM or other local radio and television stations for updated information. These stations are notified as early as possible about any Gateway campus closings.

A variety of student activities and events are planned during the academic year on all campuses through the Student Activities Coordinator, Student Government Association, as well as other staff members of the Student Success department. Events such as musical entertainment, comedians, awards ceremonies, trips, graduation, and multicultural events are planned for students, faculty, and staff to ensure a more enjoyable college experience. Most activities and events are held during the day in the Student Commons area of the campuses. For more information on student activities and events, please contact the Student Activities Coordinator at 262-741-8452 or visit [gtc.edu/studentactivities](http://gtc.edu/studentactivities).

### Star Ambassadors

The Star Ambassador Awards program is designed to acknowledge deserving students based on their occupational competence, personal goals, enthusiasm for technical education, outstanding character, positive attitude, leadership, communication skills, and self-confidence. In order to be nominated as a Star Ambassador, nominees must be accepted and enrolled in a technical diploma or an associate degree program and must have completed at least one semester at Gateway. Nominees are then required to put together a presentation that is judged by a panel of three. A winner is selected from Kenosha, Racine, and Elkhorn to represent their campus as the Campus Star Ambassador. A District Star Ambassador is selected from the three Campus Star Ambassadors to represent Gateway in Madison as well as around the state. The competition is held annually. Application and information at [gtc.edu/starambassadors](http://gtc.edu/starambassadors).

### Gateway Student Ambassadors

Gateway Student Ambassadors are current Gateway students, employed to assist the Student Success and Marketing teams in the College's marketing and recruitment efforts. The primary duties include providing campus and program tours, assisting new students, and staffing information booths and tables at various fairs, home expos, and other marketing and recruitment events for the College. Application and information at [gtc.edu/studentambassadors](http://gtc.edu/studentambassadors).

### District Activity Advisory Board

The District Activity Advisory Board (DAAB) oversees the disbursement of funds derived from student activity fees. The board consists of twelve members appointed by the College President. The DAAB consists of four administrators, four faculty members, and four students. The DAAB prepares an annual budget that is submitted to the College President for approval. Fundable activities include, but are not limited to, student government, student newspaper, student club activities, Student Success activities, advisor expenses, cultural activities, etc. The DAAB may not expend any funds for the purchase and/or distribution of alcoholic beverages. To request DAAB funds, contact the Student Activities Coordinator at 262-741-8452.

Your participation in college organizations is encouraged. Many groups have state and national affiliation. Club meetings are scheduled periodically throughout the semester to provide meeting times during the academic day. Each club must have a faculty/staff advisor. Club social, civic, and service projects foster a broadened appreciation of experiences outside of the Gateway classroom and can result in your personal development. Future employers recognize the value of club participation in identifying leadership potential. Clubs and other student organizations receive many advantages and conveniences provided by the college. These include the use of college facilities at no charge for social activities, meetings, and fund-raisers. Club checking account services are provided at no charge, and District Activity Advisory Board (DAAB) funds are made available upon request to support club activities.

For additional information on the clubs listed visit [gtc.edu/clubs](http://gtc.edu/clubs).

### Phi Theta Kappa (PTK) – Scholastic Honorary Fraternity

All Gateway students have the opportunity to earn scholastic recognition through membership in Phi Theta Kappa, the honors society for two-year colleges. The PTK member becomes part of the international organization that offers national scholarships. To be eligible for membership, a student must be currently enrolled in an associate degree program and have earned 12 or more credits with a grade point average of 3.75 or higher.

### United Student Government

The United Student Government (USG) is the one encompassing body representative of the student population. It provides students with opportunities to learn leadership skills. Officers of the United Student Government are elected by the student body in an annual online election. This organization is an advisory body, working with students, faculty, and administration on the social, educational, and cultural aspects of college citizenship, and for the betterment of the campus. The United Student Government underwrites many special events planned for students. United Student Government membership is open to all students. For additional information visit [gtc.edu/usg](http://gtc.edu/usg).

The Gateway District provides an equitable, systematic process for admitting individuals which is consistent with Chapters 38 and 118 of the Wisconsin Statutes and TCS 10 of the Wisconsin Administrative Code that govern the Wisconsin Technical College System. Applications and related materials are reviewed on a first-come, first-served basis.

The laws pertaining to Family Educational Rights and Privacy Act rights (FERPA) begin at the time an application is submitted. A student is defined as one who has been accepted to a program and/or enrolled in a course.

## Priority Admissions Dates

While Gateway welcomes your application any time of year, we do offer priority dates. Applicants completing their application files by January 1 for Summer semester, March 1 for Fall semester, and November 1 for Spring semester enrollment are guaranteed program admission by the priority registration date for new students.

## Student Types

### Degree-seeking Students

Degree-seeking students are individuals who are accepted to a specific postsecondary program with the intent of graduating. Application, application fee, placement testing, and any other identified admission requirements must be completed for program admission.

### Non-degree-seeking Students

Non-degree seeking students are individuals who are attending Gateway with no intention of completing a program. These individuals may enroll in courses for which all prerequisites have been met. Placement testing may be required depending on the course(s) selected. Students seeking this status do not need to complete an application for admission and may register beginning the first day of open registration. Students who are accepted as non-degree seeking are not eligible for federal financial aid.

### Guest Students

Guest students are individuals who are accepted to Gateway for the purpose of transferring credits back to the college or university they are currently attending. These individuals should complete the guest student application and return it to Gateway's Admissions Office with the appropriate required signatures or ACT/SAT scores. Gateway Technical College does not offer financial aid to guest students. Guest students must work with their home institution to develop a consortium agreement with Gateway to utilize financial aid at the home institution.

## Withdrawal of Incomplete Application Files

Applications that are incomplete on July 15 for Summer start, November 15 for Fall start, or March 15 for Spring start terms will be deactivated if the applicant is not attending or has not submitted any new requirements within the last 30 days. Those

wishing to reenter the program will need to reapply. Submission of new admission requirements may be required. Official program acceptance date for individuals required to reapply will be the date the application file is completed.

## Acceptance Status

### Full Acceptance Status

For individuals who have met all program admission requirements.

### Remedial Acceptance Status

For individuals who have met all program admission requirements and for whom placement scores indicate remediation is required.

### Conditional Acceptance Status

For individuals who are required to verify high school or GED graduation for admission to their program. A conditional acceptance may apply for students who have completed their junior year of high school or at least half of their GED testing (passed 3 of 5 GED tests). To be accepted conditionally, all other admission requirements for the program must be met. Conditionally accepted students may register with newly accepted students for their first semester at Gateway. The receipt of official verification of the secondary credential or equivalent must be met prior to the start of the student's second semester.

The official date of program acceptance is the date Admissions receives official transcripts verifying high school or GED completion. Students accepted conditionally are not eligible for financial aid until the semester following the date Gateway has received official verification of completion of the secondary credential.

## Placement Testing

All individuals applying for admission to Gateway's postsecondary educational programs must take a placement assessment to assist in the appropriate placement in coursework. All applicants must meet the current placement test requirements.

Applicants meeting one of the following conditions may be exempt from placement testing, either in whole or in part, for admission to a program of study:

1. The applicant has ACT, SAT, COMPASS, ASSET, or Accuplacer scores in the required testing areas that are no more than three years old. If the assessment was taken at another college, an official score report from testing institution must be received before the exemption from testing can be granted. Applicants will be placed in courses according to the submitted test results.
2. The applicant has successfully completed related Gateway postsecondary coursework or related transferable college coursework that fulfills the program requirement(s) with a grade C or better (2.0 on a 4.0 scale).
3. Upon receipt of an official transcript from the degree-granting college, applicants who have earned an AAS degree or higher will not be required to test for program

admission. However, placement testing may be necessary based on required course prerequisites within the Gateway degree program. Consult with your program counselor for clarification of prerequisites for specific courses.

4. Applicants who have maintained academic skills in reading, writing, and math through work experience or other means outside of successful course completion that is documented through consultation with the program counselor may be eligible for a waiver.

Individuals not seeking program admission who wish to take a college course(s) may be required to take a placement test for courses with a placement score prerequisite.

When individuals with a documented disability are required to test, reasonable accommodations will be provided pursuant to state and federal regulations.

*Note: Official transcripts are defined as transcripts sent directly to Gateway from the issuing school or by a recognized electronic transcript service. Transcripts may be hand-delivered by the student if the transcripts remain unopened in the issuing school's sealed envelope. All official transcripts must have the issuing school's raised seal and appropriate official's signature to be accepted.*

## Transfer Students

Students who want to transfer credits from another college or university to Gateway Technical College must be accepted to a postsecondary program and submit official transcripts to Student Services. Official transcripts are defined as transcripts sent directly to Gateway from the issuing school or by a recognized electronic transcript service. Transcripts may be hand-delivered by the student if the transcripts remain unopened in the issuing school's sealed envelope. All official transcripts must have the issuing school's raised seal and appropriate official's signature to be accepted. Courses completed at a regionally accredited institution are evaluated to determine for which transfer credit will be awarded. Coursework completed at an institution which is not regionally accredited is evaluated through the advanced stranding process to determine what proficiency credit may be granted. Please see the section on credit for prior learning.

## Admission of High School Age Students

### Compulsory School Attendance (118.15)

§118.15 Contracts are exemptions to the requirements of compulsory attendance. Students qualify for these contracts under varying circumstances. Requirements for school districts also vary.

1. Upon the child's request of the school board and with the written approval of the child's parent or guardian, any child who is 16 years of age or over and a child at risk, as defined in § 118.153 (1) (a), may attend, in lieu of high school or on a part-time basis, a technical college if the child and his or her parent or guardian

- agree, in writing, that the child will participate in a program leading to the child's high school graduation. The district board of the technical college district in which the child resides shall admit the child.
2. Upon the child's request and with written approval of the child's parent or guardian, any child who is 17 years of age or over may be excused by the school board from regular school attendance if the child and his or her parent or guardian agree, in writing, that the child will participate in a program or curriculum modification under par. (d) leading to the child's high school graduation or leading to a high school equivalency diploma (HSED).
  3. Upon the child's request, and with the written approval of parent or legal guardian, a child 17 years of age or older shall be excused by the school board from regular attendance if the child began a program leading to a High School Equivalency Diploma (HSED) in a secured correctional facility, a secured child caring institution, secured detention facility, or a juvenile portion of a county jail, and the parent or guardian agree that the child will continue to participate in the HSED program. The child must have passed at least one of the five content areas of the General Educational Development tests.

Children at risk of not graduating from high school are defined as pupils in grades 5 to 12 who are at risk of not graduating from high school because they are dropouts, or are two or more of the following:

1. One or more years behind their age group in the number of credits attained.
2. Two or more years behind their age group in basic skills levels.
3. Habitual truants, as defined in § 118.16 (1) (a).
4. Parents.
5. Adjudicated delinquents
6. Eighth grade pupils whose score in each subject area on the examination administered under § 118.30 (1m) (am) 1 was below the basic level, 8th grade pupils who failed the examination under § 118.30 and 8th grade pupils who failed to be promoted to 9th grade.

Dropout means a child who ceased to attend school, does not attend public or private School, technical college or home-based private educational program on a full-time basis, has not graduated from high school and does not have an acceptable excuse under § 118.15 (1) (b) to (d) or (3).

### **Voluntary Attendance of Youth Sixteen (16) Years or Older**

Any child who is the age of sixteen (16) years or older is eligible to apply to a Gateway postsecondary program if *all* of the following apply:

- Gateway agrees to admit the individual.
- The individual satisfies the other requirements for admission under s.38.22(1), Technical College Admission Requirements.
- The individual has the written permission of his or her parents or legal guardian.
- The individual will not be attending Gateway during the hours of normal school day established under s.119.18(7) or 120.12(15).

- The attendance is not a fulfillment of the student's compulsory school attendance requirement.
- The student attends at the regular tuition rate charged adult students.
- Individuals taking course(s) solely for Gateway program credit shall pay their own tuition and fees, books, and other associated costs.

## Home Schooled Students

Any pupil who is under a Home School agreement with the Wisconsin Department of Public Instruction and requests educational services from Gateway shall first seek assistance from the public school system. Home schooled students may attend Gateway at the regular tuition rate charged adult students, provided the attendance is not a fulfillment of their Home School attendance requirements.

## Youth Options Program

Any public school pupil may enroll at Gateway for the purpose of taking one or more courses if they satisfy the following:

1. The pupil has completed 10th grade.
2. The pupil is not defined as At Risk.
3. The pupil is not attending Gateway under Compulsory Attendance.
4. The pupil has the written approval of the pupil's parent or guardian.
5. The pupil has notified the school district of his or her intent to attend Gateway Technical College as outlined in 118.55(7r).

The pupil shall be admitted in the Gateway course(s) if he or she meets the requirements and prerequisites of the course, and if space is available only after admitting to the course all individuals applying for admission to the course. Youth Options students are eligible to enroll beginning the first day of open registration.

After Gateway admits the pupil, the secondary school board shall be notified in writing within thirty (30) days after the course(s) begins. If the pupil is approved for high school and Gateway program credit, Gateway shall charge the secondary school board the actual cost of resident tuition, course fees, and books. The payment for Youth Options students with a disability attending Gateway shall be adjusted to reflect the cost of any special services required for the pupil.

## Adding or Withdrawing from a Program

It is the student's responsibility to notify the Admissions Office of any changes in program of study and/or student information. Failure to notify the College of student information changes could result in the student not receiving important program information.

Students who wish to withdraw from their programs should do so through WebAdvisor. To add a program students must complete a Program Add/Withdrawal form and submit it to the Admissions Office. Forms are available at [gtc.edu/forms](http://gtc.edu/forms). Students will be required to complete all coursework outlined on the curriculum sheet that corresponds to the academic year they were accepted into the program.

## Active Program Status

Students who are not enrolled for two consecutive academic years will be deactivated from their program(s). To be reinstated, students must reapply to the program by completing a new Application for Admission at [gtc.edu/forms](http://gtc.edu/forms). Applicants who are reapplying must meet the programs current admission and graduation requirements. The new date of program admission will be considered the official date of acceptance. *Note: Withdrawal from a program does not imply withdrawal from courses. See Student Services staff for course withdrawal information.*

## Readmission of Students Activated for Military Service

Students who are forced to withdraw from their educational program due to military deployment shall be readmitted to the program with their original acceptance date.

## High Demand Programs/Petitioning

Some programs have a greater number of students than available core course seats. For such programs, Gateway Technical College utilizes a petition process where a post-admission, second-tier process is used to select accepted students for upcoming core course seats. As directed by TCS 10, students selected via the petition process are chosen based on Gateway District residency, then Wisconsin non-district residency, followed by non-Wisconsin residents, and the application completion date. Applicants who change their minds regarding program enrollment or have their application/program status deactivated and want to return to the program will need to reapply and will be selected based on the most recent program acceptance date, not the original acceptance date.

The time element prior to selection for and enrollment in core courses varies by program and is not predictable. Further information about specific program petitioning is available at [gtc.edu](http://gtc.edu). Gateway must be informed of all address changes and changes for telephone or cell phone numbers. If the College does not have updated information, the result could be program deactivation or bypassing the student for openings in a program's core courses.

## Residency Qualifications

Gateway determines whether students are eligible for in-state tuition and petition selection per Administrative Code TCS 10.03. This policy is applicable to all courses whether credit, noncredit, English Language Learner (ELL) or Adult Basic Education (ABE). Determination of Wisconsin residency is based on where the student permanently resides and holds legal bona fide residence. Students must demonstrate the intent to permanently reside in Wisconsin and may not be charged in-state rates if their purpose of residing in Wisconsin is for educational purposes. A person who enters and remains in the state principally to obtain an education is presumed to continue to reside outside the state and the presumption continues in effect until rebutted by clear and convincing evidence of residence in the state through the Residency Determination process. The Residency Verification Determination forms are available at [gtc.edu/forms](http://gtc.edu/forms). A visa is a permit granted to persons legally residing

outside the United States (U.S.) to enter the U.S. for a specified period of time with the intent of returning to their home country. Therefore, students on visas cannot be considered Wisconsin residents for tuition purposes.

Any person who is a resident of Wisconsin at the beginning of any semester for which the person applies/enrolls, is a resident of the state for admission and fees purposes. Individuals who are nonresidents at the beginning of the semester for which they apply/enroll are not considered Wisconsin residents. Any resident of the state who has maintained a permanent residence within the district prior to application at Gateway is a Gateway district resident for admission priority.

Applicants/students who wish to have their residency status reviewed should complete the Wisconsin/Gateway Technical College District Residency Verification form and supply corresponding, supporting documentations. All residency verifications must be done prior to the state of the term in which the applicant/student attends. If verification is received after the start of the term, the new residency status will be effective at the start of the next term.

## Remission of Nonresident Fees for Out-of-state Residents Including Au Pairs (Out-of-state Fee Waiver)

WTCS Administrative code allows for Gateway to remit the out-of-state fees for individuals who are considered out-of-state, who can demonstrate financial need, and who demonstrate the ability to benefit from their educational experience. Au pairs are eligible for remission of out-of-state fees for up to six (6) credits or the equivalent. Additional credits/courses beyond those approved for remission are at the out-of-state rate. Remission of nonresident fees is limited and granted to those eligible on a first-come, first-served basis. Remission applications are submitted on an academic year basis. To apply, complete the Remission of Nonresident Fees application available at [gtc.edu/forms](http://gtc.edu/forms). Registration will be at the out-of-state rate until remission is approved. Students approved for fee remission are responsible for the payment of any in-state fees (and out-of-state fees, if applicable) that are incurred.

## International Students

Gateway Technical College is authorized to issue I-20's for students attending under F-1 and M-1 visas; however, enrollment of foreign students in the educational programs at Gateway will be based upon space availability unless there is a Contract for Service (C-150) which provides for completely dedicated courses at full cost recovery. Gateway is not authorized to issue I-20's to students for study of the English language or for programs considered high demand. International students are not considered Wisconsin residents and are required to pay tuition equal to the out-of-state rate.

### Conditions for Admission

- Enrollment in technical diploma or associate degree programs that have no waiting period, waiting list, or other restrictions.
- Verification of financial resources covering the cost of education.

- Completion of all necessary International Student Admission requirements.
- If transferring, demonstration of good standing in academics, conduct, and have no debt at the sending institution(s).
- Sufficient proficiency in English to enable the student to benefit from instruction. Evidence of English proficiency may be TOEFL or IELTS scores that meet Gateway's minimum requirements.

## Procedure

An international student seeking to be admitted to Gateway Technical College shall:

1. Submit a completed WTCS application with application fee.
2. Complete International Student admission documents:
  - Declaration of Financial Resources or certification of finances

  - Transfer Clearance form (if applicable)
3. TOEFL score of 500+ or written verification that the applicant is from an English-speaking country.

5. Gateway requires that prior to issuing an I-20 applicants make a deposit equal to one (1) year's nonresident tuition and fees established by the WTCS Board for the program in which he/she wishes to be enrolled. The only exceptions are:
  - students attending under Section 38.14(3) of the Wisconsin Statutes where Gateway has entered into a Contract for Service with a foreign government or business not operating in Wisconsin.
  - students qualifying as eligible for Nonresident Fee Remission:
    - those enrolling under Administrative Bulletin 04-03, Exchange Agreements with Foreign Educational Institutions.

6. Upon completion of all above admission requirements, an I-20 will be issued to the student.
7. When the student arrives, he/she will be required to submit a copy of his or her visa, take the placement test, and complete an Agreement of Attendance and Program Completion.

International students interested in applying for admission should contact the Primary Designated School Official, Director of College Access, Admissions, and Testing in Student Services for further information. Additional information and all forms are available at [gtc.edu/admissions](http://gtc.edu/admissions).

*Please note that due to enrollment restrictions, international student applicants should view the list of programs available to them on our website.*

### **Reciprocity Agreements with the College of Lake County (CLC), McHenry Community College (MHCC), and Rock Valley Community College (RVCC)**

Through an agreement between Gateway Technical College and CLC, MHCC, and RVCC, students may be able to attend approved programs in their neighboring state at the in-state rate. Students participating under the terms of these agreements must be accepted to an Associate Degree or Technical Diploma program covered under the agreement. These students are not considered district residents for petition selection purposes. Illinois students interested in this option should contact the appropriate official at the college in their home county. Gateway Technical College district residents should contact the Admissions Office at Gateway Technical College. Individual courses, certificate, and transfer programs are not covered by this agreement.

### **Reciprocity Agreement with Minnesota**

Wisconsin has a reciprocal agreement with Minnesota. Individuals from Minnesota who wish to attend Gateway may do so at in-state tuition rates by completing a Residency Determination Verification form and submitting MN residency verification (same as for WI). These students are not considered residents for petition selection purposes.

## **Academic Advising**

### **Role of the Student in Advising**

The role of the student in advising is to consult the program counselor or faculty advisor regarding academic issues (registering, dropping/adding, transferring to another program or school, withdrawing, or any other matter of an academic nature). New students and continuing students who have remedial requirements, have less than 12 credits, or do not meet the standards for good academic standing should work with their program counselor. Continuing students with 12 or more credits and in good academic standing should work with their faculty advisor. Every continuing student should get a program evaluation/degree audit report via WebAdvisor before seeing their program counselor or faculty advisor during Academic Advising Days. It is ultimately each student's responsibility to fulfill his/her degree requirements.

### **Role of the Program Counselor**

The role of the program counselor is to guide new and continuing students in their academic program, curriculum requirements, and course selection. Program counselors are the primary contact for students regarding academic planning and are available on each campus in Student Services during office hours.

### **Role of the Faculty Advisor**

Faculty members from each program serve as faculty advisors to continuing students who have completed all remedial requirements and 12 or more credits toward a diploma or associate degree program. Faculty advisors are available during faculty office hours throughout the year and help plan course schedules during Academic Advising Days, which are scheduled prior to the beginning of each registration period.

Registration is the process of enrolling in courses. Dates, hours, and instructions for registration are published each semester on Gateway's website and/or in the Master Class Schedule. Academic advising will be provided by faculty and counselors.

- Students must be officially registered to attend a class.
- Students must be officially enrolled in order to receive credit for class(es).
- Students who are delinquent for the required payment on their payment plan will not be able to receive their grades or transcript or register for a class until the account balance is current.

## Registration Requirements

To register for classes, students must:

- Register via WebAdvisor or submit a completed registration form to Student Services.
- Not have an outstanding financial obligation to the College.
- Have met class pre-requisites and be accepted to the program, if applicable.

## Priority Registration

Students who are accepted to a postsecondary program are eligible to register during the priority registration period. A continuing program student is given a priority registration date based upon the number of credits the student has completed. Newly admitted program students may register during New Program Student Registration. Students not accepted into a postsecondary program register during the open registration period. Students attending Gateway Technical College under the Youth Options program register during the open registration period regardless of whether or not they have been accepted into a postsecondary program.

## Prerequisites and Corequisites

A prerequisite is a required course which must be successfully completed before you can register for an advanced course. Most courses require a minimum D- grade to be earned in the pre-requisite. However, some courses require a minimum grade of C (2.0). Please see your curriculum sheet for prerequisite requirements. A co-requisite is a class which must be completed prior to or at the same time as the selected course. You should become familiar with the prerequisite and corequisite requirements of your program courses. Prerequisite and corequisites are identified on your curriculum sheet. Not following these requirements can result in the need for extra semesters of work to complete graduation requirements. If you feel that you have work experience or training which may qualify for enrolment in an advanced course, discuss the situation with your program counselor in Student Services.

## Electives

Elective credits may enable you to take courses in addition to those specified in your program's curriculum. You can choose elective courses from the wide variety of classes offered each semester. Students in associate degree programs should be sure that their electives are at the associate degree level. You should check with your faculty advisor or a Student Services counselor on the selection of elective credits.

## Changes in Registration

Changes to students' schedules may be made via WebAdvisor or in person at Student Services. If using WebAdvisor, review "My Class Schedule" after conducting your transaction to verify that you are registered for the correct classes. A student wanting a third party to complete any transaction on their behalf must give the third party written permission authorizing the transaction. Photo identification of the third party and the student must be presented with the written permission.

## Financial Aid Census Date

The actual amount of financial aid funding a student is eligible to receive will be determined based on the fundable number of enrolled credits on the Census Date (the 10th calendar day of each term at Gateway). After this date:

- Adjustments will not be made for additional enrollment
- Award may be recalculated for classes with no attendance and/or,
- A repayment may be charged for all or a portion of funds received

Gateway highly encourages students to register for all classes for a semester prior to the Census Date.

## Drops with a 100 Percent Refund

If a class is taken off your schedule and you are not charged for the class, your financial aid will be recalculated with the remaining eligible credits on your schedule. Dropped classes will be monitored throughout the *entire* semester.

## No-shows

If you do not attend class, you are not eligible to receive financial aid for the class. In a situation where an instructor drops a student from the class they are teaching, due to the student being a 'no show', there is not a refund on tuition; however, the Financial Aid Office is required to adjust aid based on actual credits.

If you intend to drop a course, notify Student Services so that you can be officially withdrawn from the class. Do not simply stop attending class.

## Adding a Class

A student may add a class through the third class hour of the course without instructor approval, provided the class capacity has not been reached and all registration requirements have been followed. Accelerated classes require instructor approval once the class has begun. Internet classes require instructor approval when adding a class on or after the start date. After the third class hour of the course has elapsed, the student must obtain a Petition to Enter Late form from Student Services. After

obtaining the signature of the instructor, the student must officially add the class in Student Services. Class capacity may not be exceeded. The student is responsible for any and all missed course work, materials, and assignments. Refunds for students who enter a class late and subsequently drop will be calculated based upon the start date of the class, not the date the student registered for the class. A student who does not register for a class is not eligible to receive credit for the class.

*Students may not attend a class unless they are officially registered for the course.*

## Dropping a Class

A drop is student-initiated. A student may drop a class without a grade up until 20% of the class meeting times have elapsed. In order to drop a class, a student must complete a drop via WebAdvisor or submit a completed Drop Form to Student Services. The drop process is not complete until the Drop Form is received and processed by Student Services, or until the WebAdvisor system processes the student drop. Nonattendance or notifying the instructor that you will not be attending does NOT constitute a drop. When a student registers for a class, the student owes the corresponding tuition and fees. Students who plan to drop a class should do so immediately. A single day can make a significant difference in the amount of the refund. Drop deadlines are printed on a student's class schedule and are strictly enforced. For information regarding refunds, please see "Refund Policy" in "Section IV, Student Finance" of this handbook. A student who is a financial aid recipient should be aware that dropping a class may affect his or her financial aid award and account balance with the college. Please contact Student Services for further information.

## Withdrawing from a Class

If a student is considering withdrawing from a class or classes for the semester, the first stop should be a meeting with a program counselor. Many times problems that a student is experiencing may be resolved by seeking assistance. Withdrawals occur after the refund period; there are no refunds for withdrawn classes. A student may withdraw from a course without an academic penalty up until 80 percent of the class time has elapsed. A student withdraws from classes by completing a Withdrawal Form for each class and meeting with a program counselor. A grade of 'W' will be recorded on the student academic record. Withdrawal forms are available in Student Services. A student who stops attending a class after the refund period without withdrawing receives an F grade.

*Note: Withdrawal from classes does not imply withdrawal from your program. To withdraw from a program, please access Withdraw from a Program in WebAdvisor. Program withdrawal forms can be found at [gtc.edu/forms](http://gtc.edu/forms).*

## Class Cancellations

Gateway reserves the right to cancel any scheduled class or to combine class sections as a result of insufficient enrollments. If this does occur, every effort will be made to notify the student prior to the start of the class. The student is encouraged to work with their program counselor in making alternative class selections. Refunds are issued for canceled classes.

## Auditing a Course

At times a student may wish to attend a class without receiving a grade or credit. To do so, the student must register to audit the course. The tuition and fees are the same, whether the student is auditing the course or taking it for credit. Information regarding the exception for senior citizens auditing postsecondary courses follows. A student must officially change his or her audit status within the first 20 percent of class. At the completion of the course, the student will receive a grade of AU (audit).

A student who is auditing a course may not change his or her enrollment in the class to credit-seeking or vice versa after the first 20 percent of the class has passed.

## Senior Citizen Audits of Postsecondary Courses

Wisconsin residents, 60 years of age or older on the start date of the class, may audit a technical diploma or associate degree course without paying the tuition portion of the class fee, provided space is available. This is a significantly reduced rate. Only non-tuition fees, such as material, activity, and other miscellaneous fees will be charged. Forms for requesting a senior citizen audit are available in Student Services. If a senior citizen wants credit for the course, regular registration procedures and charges apply. The regular audit rules apply to changing status from credit-seeking to audit and vice versa.

## Senior Citizens and ACE Classes

Wisconsin citizens 62 years of age or older on the start date of the class may take Adult Continuing Education (ACE) classes at a significantly reduced rate. A student in this category is not charged tuition for the class, only non-tuition fees, such as material, activity, and other miscellaneous fees will be charged. Please contact Student Services for information.

## Student Enrollment Status

Student enrollment status is determined by the number of credit hours for which a student is registered. A full-time student is defined as one who is enrolled in 12 or more credit hours for Summer, Fall, or Spring semesters. A part-time student is defined as one who is enrolled in less than 12 credit hours for Summer, Fall, or Spring semesters. Enrollment verifications reflect the student's enrollment status at the time the verification is completed.

Gateway Technical College believes that the opportunity for a college education should be within the reach of all interested individuals. To that end, Gateway offers a variety of payment options. Students are ultimately responsible for the payment of tuition, fees, and books. Payment options include cash, check, MasterCard, Visa, financial aid, authorizations and a student payment plan as well as a class reservation deposit program. Payment or a payment option must be selected by published deadlines. Out-of-state students pay additional tuition charges. (See Residency Qualifications for more information.)

## Financial Aid

Financial aid is financial assistance to help students meet their educational costs. The Gateway Technical College Financial Aid Office administers a comprehensive program of federal, state and college grants, work-study and loan programs to provide assistance to students who would otherwise be unable to afford an education. Gateway uses the Free Application for Federal Student Aid (FAFSA) to determine if a student is eligible for federal grants, student and parent loans, work-study, and state grants. The FAFSA is available at [fafsa.ed.gov](http://fafsa.ed.gov).

Aid is made available to you if you are eligible according to specific state and federal regulations. However, all eligible students must:

- Apply for admission to and be accepted to an aid-eligible program and meet program entry requirements before the start of the semester.
- Be a U.S. citizen, a National, or a permanent resident of the United States.
- Demonstrate financial need as determined by Gateway's Financial Aid Office through the Financial Aid Application (FAFSA) process.
- Not be in default on any educational loan, or demonstrate an unwillingness to repay any educational loan and/or owe any overpayment to Gateway Technical College or the U.S. Department of Education.
- Be in compliance with Selective Service regulations.
- Be enrolled at least half-time status to receive most types of financial aid.
- Maintain satisfactory academic progress as defined by Gateway's Financial Aid Office.
- Must participate in Loan Entrance/Exit Counseling if award includes loan.

There are three major types of aid available to Gateway students. They include:

- Grants (do not have to be repaid unless you stop attending – see information on Return of Title IV funds)
- Student Loans (must be repaid)
- Student Employment (you work and earn money to help pay for college)

Information about the specific types of grants, loans, and student employment available may be obtained at [gtc.edu/financialaid](http://gtc.edu/financialaid). Financial aid information may be subject to change at any time due to change in federal, state, or sponsoring agency regulations.

## Census Date (Date of Record)

The actual amount of financial aid funding will be determined for the aid-eligible number of enrolled credits on the Census Date (the 10th calendar day of each term at Gateway). After this date:

- Adjustments will not be made for additional enrollment
- Award may be recalculated for courses with no attendance and/or,
- A repayment may be charged for all or a portion of funds received

*Gateway highly encourages students to register for all courses for a term prior to the Census Date.*

## Drops with a 100 Percent Refund

If a class is taken off your schedule and you are not charged for the class, your financial aid will be recalculated with the remaining eligible credits on your schedule. Dropped classes will be monitored throughout the entire semester.

## No-shows

If you never attend class, you are not eligible to receive financial aid for the class. In a situation where an instructor drops a student from the class they are teaching, due to the student being a 'no show', there is not refund on tuition; however, Financial Aid is required to adjust aid based on actual credits.

If you intend to drop a course, notify Student Services so that you can be officially withdrawn from the class. Do not simply stop attending class.

## Financial Aid Good Academic Standing Policy

Financial Aid programs require students to be in Good Academic Standing. The student's complete Gateway academic record from 1982 forward is used to determine if the student meets the Good Academic Standing standards. This includes semesters for which the student did and did not receive financial aid.

Academic Standing is calculated at the end of each semester and at initial import of a student's Financial Aid application. Students who do not meet the criteria of Good Academic Standing are notified. A status will be determined and is in place for the next semester.

For complete information related to the federal Good Academic Standing policy go to [gtc.edu/financialaid](http://gtc.edu/financialaid).

## Good Academic Standing

To maintain Financial Aid eligibility, students must be in Good Academic Standing as outlined by the four criteria below:

- Minimum 2.0 term GPA
- Minimum 67% term completion rate (also known as Pace)  
*67% = credits completed divided by credits attempted (grades of F,U,W,R and I are counted as non-completions)*
- Minimum 2.0 cumulative GPA (calculated on all credits attempted at Gateway)
- Minimum 67% cumulative completion rate (all credits completed at Gateway and transferred to Gateway divided by total credits attempted)

## Financial Aid Academic Standing Status

### Financial Aid Academic Warning

Students failing to meet the standards for Good Academic Standing listed above will be automatically placed on Financial Aid Academic Warning for the next term. Students in Financial Aid Academic Warning status are not restricted in the number of credits they may take, but must achieve a minimum 67% term completion rate (completed credits divided by attempted credits) and a minimum 2.0 term GPA to avoid being placed on Financial Aid Academic Suspension. Financial Aid Academic Warning students who meet or exceed all 4 criteria will be in Good Academic Standing for the next term.

### Financial Aid Academic Suspension

Students in Financial Aid Academic Warning status and fail to meet all conditions of Good Academic Standing will be placed on Financial Aid Academic Suspension. Suspended students may file a Financial Aid Academic Appeal for reinstatement or may receive Financial Aid once they have met all four criteria of Good Academic Standing.

### Financial Aid Academic Probation

Upon successful appeal of a Financial Aid Suspension status, student will be placed on Financial Aid Academic Probation and will be required to complete a Financial Aid Academic Plan that may include workshop attendance, counselor check-ins and/or use of support services. Financial Aid Academic Probation status students must successfully achieve a 67% course completion rate and a minimum 2.0 GPA each term and meet all conditions of the Academic Plan to continue to be eligible to receive financial aid at Gateway on Financial Aid Probation status. Failure to do so will result in Financial Aid Academic Suspension.

## Duration of Financial Aid Eligibility – 150%

The maximum time frame in which students must complete their educational program is based on the total credits attempted, regardless of whether financial aid was received or not received while enrolled. Total credits attempted include all classes students have:

- Taken at Gateway Technical College and transferred in from any other college/university
- Repeated or failed (R or F)
- Been issued an incomplete or withdrawal (I, W)

Financial Aid recipients are subject to the 150% Rule. Financial Aid recipients' attempted credits may not exceed 150% of the credits required to graduate from the program of study and continue to receive financial aid. If you have changed programs of study, all credits that you have ever taken at Gateway or transferred to Gateway are evaluated toward the new program. *Note: some credits may be counted as electives.*

## Paying for College

Students exceeding the allowable 150% of their current program are Financial Aid Suspension (not eligible to receive financial aid). The Financial Aid Suspension may be appealed (see above).

150% = credits required to complete program x 1.5 (150%). The students' total attempted credits for their current program must be less than this number. Students at or above 150% are not eligible for Financial Aid.

*Revisions or modifications to this policy may occur after the publication of this document. Contact Financial Aid for additional information or assistance.*

### Financial Aid Disbursement Policy

If you receive federal and/or state funding, your funds will be applied to your student account. You will be able to charge certain expenses to this account. Expenses include tuition, fees, and bookstore charges. After courses begin and your attendance is verified on the Census Date, Gateway will apply your award to your account. If your award exceeds your expenses, a refund representing the proceeds of your funds will be applied to your Gateway Plus card. Financial aid awards are based on enrollment levels. Enrollment level changes will prompt a change in aid funds and a new award notification will be sent to you. Awards may be reviewed on WebAdvisor.

### Gateway Plus Card

All eligible financial aid students will receive a Gateway Plus card. Financial aid disbursements are sent electronically to the Gateway Plus card (typically by 3:00 p.m. on the published refund date) and processed according to the choice indicated by the student. When the student activates the card successfully, the student may choose to have funds applied directly to the card or have funds electronically transferred to a bank account designated by the student. This card is good for five years and it is the responsibility of the student to retain this card. The card will be mailed to your address on file at Gateway Technical College. A \$10.00 fee is required when a replacement card is requested.

## Return of Federal Financial Aid Funds

If you withdraw or dropout of Gateway Technical College class(es) prior to 60% of the semester's end date, you will be required to return some of the federal aid that was disbursed. The amount of aid you could keep is proportional with the amount of time you attended class(es) to the total days in the semester. Failure to attend any classes would mean a 100% return of all aid. Gateway is also required to repay to the federal aid funds a proportional part of your tuition that was originally paid with federal aid. The student is required to repay these funds to Gateway Technical College. Any return of tuition will go to the following funds in priority order: (1) Federal Direct Loan (unsubsidized), (2) Federal Direct Loan (subsidized), (3) PLUS Loan, (4) PELL Grant, (5) SEOG Grant, (6) TIP Grant. When aid is returned, the student will owe a balance to Gateway. Payments should be made via WebAdvisor or in Student Services. Students who do not repay a debt as a result of this calculation may be reported to the Department of Education and may be prohibited from receiving Title IV funds at other colleges. In addition, students who have a Title IV debt may not receive an official transcript. Students are reminded to follow the withdrawal procedures outlined in this handbook so that a correct calculation can be made.

## Gateway Foundation Scholarships

Established in 1977, Gateway Technical College Foundation exists to help build a community that is economically and professionally strong and competitive in a changing marketplace. The Foundation raises funds to provide assistance to Gateway students who wish to enhance their lives through education and training. Annually, Gateway Technical College Foundation, Inc. awards scholarships and grants to students. These awards are made possible through the generosity of individuals, businesses, and organizations in southeast Wisconsin who recognize the need to assist in providing funds for students eager to embark on the path to their future. The annual Gateway Foundation Scholarship Program awards various restricted funds that provide eligible students scholarships ranging from \$300 to \$1,000 or more. During the continuing student scholarship application period, students are encouraged to go to the Foundation Web page and click on the link for "Scholarship Application." To go to the Gateway Foundation online application, use the following link: [gtc.edu/foundationsscholarships](http://gtc.edu/foundationsscholarships). Applications are accepted from mid-May until early October. The application deadline for 2012 is October 12. Scholarships are awarded as tuition vouchers.

## Veterans Administration (VA) Educational Benefits

Most of the educational programs offered by Gateway are approved for U.S. Department of Veterans Affairs (VA) educational benefits by the State of Wisconsin State Approving Agency. Students who wish to use their VA educational benefits must schedule an appointment to meet with a Gateway VA specialist according to the Gateway campus of their county of residence. Students will learn about the required forms and other documents they need to submit. In addition, students will learn about additional resources that can help them complete their VA education benefits application. Additional information on applying for Veterans education benefits and refund dates can be found at [gtc.edu/va](http://gtc.edu/va).

Students must be admitted into an approved program of study at Gateway before they can be certified to receive educational benefits. In order to speed the payment of VA benefits, the submission of all required information should be completed prior to the start of each semester. VA information submitted after the beginning of the semester will result in late payment. Students receiving educational benefits are expected to comply with standards of academic progress and are responsible for meeting all Gateway payment deadlines. For a complete listing of approved programs and other related VA benefit information visit [gtc.edu/va](http://gtc.edu/va). For specific eligibility requirements, you may also call the VA Educational Benefits line at 1-888-442-4551 or the Veterans Service Offices located in your county.

### VA Standards of Progress

Students receiving VA educational benefits are required to maintain standards of progress. The standards of progress for Gateway students receiving VA educational benefits are as follows.

- A student who receives less than C average (2.0 on a 4.0 scale) in each of two successive semesters will be placed on a Veteran Benefit probationary status. This means that the school can certify one more semester of enrollment to the VA; however, the student must achieve at least a C average (2.0 on a 4.0 scale) for the semester.
- A student who receives less than a C average in the probationary semester will be considered in an unsatisfactory progress status. This means that the student will not be eligible for further educational benefits until satisfactory progress is reestablished.
- To reestablish satisfactory progress, the student must accumulate a minimum of six (6) credits (or equivalent in program's measured Clock Hours) with a C average. If the student achieves a C average, the school can resume certifying benefits to the VA beginning the next semester of enrollment. If, however, the student fails to achieve the C average, benefits will be curtailed until satisfactory progress, as defined previously is achieved.
- The student must also be admitted to an approved program of study before being certified to receive educational benefits. The school may only certify courses that are required for that program.

## Wisconsin Department of Veterans Affairs (WDVA) Education Benefits

### Wisconsin Veterans Education Reimbursement Grant Program (VetEd)

Eligible Wisconsin veterans attending college can receive up to 100 percent reimbursement of the cost of tuition and material fees after successful completion of full-time or part-time coursework. Individuals eligible for Wisconsin GI Bill benefits must apply for and use those benefits in order to be eligible for VetEd reimbursement.

### Wisconsin GI Bill

The Wisconsin G.I. Bill provides a full waiver ("remission") of tuition and fees for eligible veterans and their dependents for up to 8 full-time semesters or 128 cred-

its at any University of Wisconsin System (UWS) or Wisconsin Technical College System (WTCS) institution. Please note that activity fees, miscellaneous fees, and book costs are not covered by the WI GI Bill. The tuition remission will not be applied until the school has received approval from the WDVA regarding a student's eligibility for the WI GI Bill. Students are responsible for meeting all payment deadlines. Additional information is available at [wisvets.com/WisGIBill](http://wisvets.com/WisGIBill).

### WDVA Retraining Grant

This grant is for recently unemployed or underemployed veterans who demonstrate a financial need while being retrained for employment. The program must be completed within two years. This is a grant, not a loan, and does not have to be repaid. The applicant may not receive a retraining grant and another WDVA education grant for the same period. The maximum grant is \$3,000 per year, for a maximum of two years.

Complete eligibility requirements and application forms for the WDVA benefits are available through the County Veterans Service Office identified below. Please be mindful of the application deadlines for WDVA benefits.

### Guard and Reserve Tuition Programs

1. Wisconsin Army and Air National Guard members attending Gateway can receive 100 percent reimbursement of tuition costs excluding fees up to a maximum set by the Wisconsin Department of Military Affairs. Complete eligibility and application forms are available from the student's Army or Air National Guard unit or at <http://dma.wi.gov>.
2. Army, Air Force and Marine Reserve Tuition Assistance Program. Check with your unit Educational Officer for details on these programs.

## Payment Options

As a student, you may use one of the following options to pay for your tuition/fee charges. A payment option must be in place by the date listed on Gateway's website or in the Master Class Schedule to prevent being dropped from ALL active classes for nonpayment.

**Option 1: PAY FEES IN FULL** by cash, check or credit card in Student Services or by credit card via WebAdvisor ([gtc.edu/webadvisor](http://gtc.edu/webadvisor) | select "Make a Payment"). Partial payments may be made on your account until the payment option due date. Your account must be paid in full by the due date; any balance remaining after the payment option due date may result in your being dropped from all active classes.

**Option 2: PROVIDE AN AUTHORIZATION** from a third party (company/employer/agency) to cover tuition/fees or be awarded financial aid by payment option due date.

**Option 3: ENROLL IN STUDENT PAYMENT PLAN** via WebAdvisor or in Student Services. The Payment Plan is available until date listed on Gateway's website or in the Master Class Schedule.

## Student Payment Plan

The Student Payment Plan is available for Summer 2012 from April 10, 2012 thru June 1, 2012; for Fall 2012 from August 6, 2012 thru September 21, 2012 and Spring 2013 from November 12, 2012 thru February 1, 2013. The \$40 class reservation deposit does not enroll you in the Payment Plan. Enroll in the payment plan via WebAdvisor or in Student Services.

The following outlines the Student Payment Plan requirements.

1. Student must be enrolled in 3 or more credits. (Not available for noncredit students or to students only registered in the Certified Nursing Assistant class.)
2. A deposit of 40% of eligible tuition/fees plus a \$15 nonrefundable processing fee is required at time of enrolling on the Payment Plan. Any partial payments made toward tuition for the semester prior to enrolling on the payment plan may be applied to the required 40% deposit. Partial payments do not enroll you in the Payment Plan; the student must officially enroll on the plan.
3. A maximum of \$2,000 is allowed on payment plan after required deposit is made. Any charges over the maximum must be paid in full at time of enrollment on plan.
4. Two (2) installment payments are due during the semester for which the payment plan is initiated. Due dates are printed on Gateway's website and in the Master Class schedule and on the Payment Plan form. Students receive a bill, which is sent to the current address on file. Payments are due by scheduled due dates without exception, even in the event a bill is not received by the student.
5. A late fee of \$45.00 will be assessed if the first or second installment is not received by due date.
6. If first the first or second installment is not made by due date, student will not be allowed to register for classes or receive official transcripts or diploma until the account is current including payment of the late fee. There is no grace period beyond the due date for payment before a late fee is assessed.
7. The student will not be dropped from classes and will be responsible for payment of all fees.

## Class Reservation Deposit

The Class Reservation Deposit is available to credit students only. If registering priority registration, one deposit of \$40 will hold Summer, 2012 classes until May 1, 2012 Fall, 2012 classes until August 23, 2012 and Spring, 2013 classes until January 3, 2013. After the above dates you are required to pay tuition and fees in full or select a payment option. The \$40 deposit is nonrefundable if a payment is not made or a payment option is not on file by the above date. If a payment option has not been selected by the above date, you will be dropped from ALL active classes. The Class Reservation Deposit is not available after the above date.

## Debts Owed to Gateway

Students may owe debts to Gateway which are related to registration, financial aid, library/Learning Resource Center, bad/returned checks, or for other miscellaneous reasons. A student's debts are retained on his/her record until cleared. In accordance with Gateway Technical College Board policy, students are not allowed to register for classes, receive transcripts or diplomas, or access testing or other services until all debts are cleared. Students with debts may have their accounts sent to a collection agency and to Wisconsin Department of Revenue Tax Refund Interception Program.

Students receiving financial aid may be eligible to take advantage of the Prior Debt Process to assist with paying prior debts a student has with Gateway. Go to Student Services to discuss this option.

## Refund Policy

### Refunds for Cancelled Classes

A student is entitled to a full refund of all tuition and fees paid for a class if Gateway Technical College cancels the class.

### Refunds for Dropped Classes

Refund Schedule			
Drop	Before the first class meeting	Last Refund Drop Date column on the front side of student's class schedule	100% Refund
Drop	1-10% of class meetings elapsed	Last Refund Drop Date column on the front side of student's class schedule	80% Refund
Drop	11-20% of class meeting elapsed	Last Refund Drop Date column on the front side of student's class schedule	60% Refund
Withdrawal	21-80% of class meetings elapsed	Contact Student Services for withdrawal dates, instructions, and information	No Refund
Non-attendance/ Instructor Drops	Definition: Student doesn't attend or discontinues attendance without completing and submitting drop or withdrawal paperwork.		No Refund

### No Refund for Instructor Drops

A student who registers for a class but who fails to attend, or stops attending during the refund period without dropping, may be dropped by the instructor. As an instructor drop is administrative and not student initiated, the student is not eligible to receive a refund.

### No Refund for Withdrawals

No refund is made when a student withdraws from a class. Students withdraw from classes after the refund period has ended; i.e., after 20% of the class meeting times have elapsed.

## Account Adjustments

Refunds will be applied to any outstanding balance the student has at the College. If the student account is:

**Paid in Full** -The refund will be mailed to the student's current address. No cash refunds.

**Payment Plan Account** - Any refund will be credited toward the balance owed. The amount due on subsequent statements will reflect the adjustment in fees. The refund percentage is based upon the total cost of the courses; it is not a percentage refund of the payments the student has made.

**Paid by Sponsorship/Agency/Company** - The tuition charges billed to the third party will be reduced. No refund check will be issued.

**Paid/Partially Paid by Financial Aid** - The Financial Aid award/disbursement will reflect adjustments due to dropped classes.

**Nonattendance** -No refund is made to students who do not attend or discontinue attendance without completing and submitting drop and withdrawal paperwork.

**Student Account Appeals** - Students are responsible for payment of tuition and fees for classes for which they register. However, if a student encounters extenuating circumstances which have unexpectedly affected the student's enrollment in the class, the student may appeal to have tuition and fees reduced. Bookstore charges cannot be reduced. Charges that were previously paid by financial aid funds may become a debt that the student is responsible for paying.

A student who wishes to submit an appeal should obtain a Student Account Appeal Form [gtc.edu/forms](http://gtc.edu/forms). The completed form, with required supporting documentation, needs to be mailed to the Registrar's Office or be returned to Student Services. The request must be submitted within 12 months of the end of the semester for which charges are being appealed. The Student Account Appeals Committee reviews the request and notifies the student of its decision in writing. Each appeal will be reviewed only once, and the decision of the committee is final.

## Gateway Technical College Credentials

### Associate Degrees, Technical Diplomas, and Advanced Technical Certificates

The Gateway Technical College District Board has the authority to grant associate degrees, technical diplomas, and advanced technical certificates to graduates of occupational programs approved by the Wisconsin Technical College System Board.

### Gateway Certificates

The Gateway Technical College District Board may award District certificates to students who complete a specific course or group of courses. Certificates are designed to help students gain entry level employment in specialized areas or to qualify for occupational advancement. Students must apply to the certificate program and complete a Certificate Completion form to receive a certificate.

### Adult High School Diploma

Gateway's Adult High School program is designed for people eighteen years and older who want to obtain their high school diploma. Public school districts in Kenosha, Racine, and Walworth counties cooperate in this program. It is possible to earn credit through evaluation of prior life/work experiences. Students enrolled in associate degree or technical diploma classes may also receive high school credit for them. The Adult High School counselor in Student Services can give you more information on obtaining a high school diploma through Gateway. *Note: Students dually enrolled in adult high school and postsecondary courses are not eligible for financial aid.*

### General Education Development (GED®)

Students can earn their GED by passing the official GED Testing Service tests. Subjects include Writing, Reading, Social Studies, Science, and Mathematics. Prior to testing, students must complete an orientation (890-721) through the Adult Learning Center. GED instructors can pretest in all five testing subject areas. Practice tests are available in selected subject areas. GED teaching strategies include small group instruction, computer-assisted learning, self-guided exercises and assignments, and one-on-one tutoring. Non-resident fees may apply.

### High School Equivalency Diploma (HSED)

An HSED may be completed in several ways. Many students decide to complete their HSED through GED testing and completion of Health, Civics, Career Awareness, and Employability Skills. An HSED may also be obtained through the completion of high school credits, postsecondary credits, or competencies. Students may also be eligible to receive an HSED if they have been granted a diploma from a foreign country. Students interested in pursuing an HSED should have their official high school transcripts sent to Gateway Admissions Office for review. All HSED participants must take an orientation (890-721) prior to starting the HSED program. Nonresident fees may apply.

## English Language Learner Program (ELL)

ELL is designed to prepare students whose first language is other than English to speak and understand the English language. Students will improve their speaking and listening, grammar and writing, and reading and vocabulary skills and learn about health, community, government, consumer education, and employability skills. Large and small group instruction, computer-assisted learning, self-guided exercises and assignments, and one-on-one tutoring are utilized. Non-resident fees may apply.

## Student Name

The name on a student's record is the official name which will be displayed on college documents, transcripts, and the diploma. Name changes will only be completed upon presentation of a legal document supporting the change. Make name changes in Student Services.

## Social Security Number Policy

Social Security numbers are used to identify student records. A student's failure to prove a SSN may delay processing. All Gateway Technical College students who are applying for financial aid are required to provide their Social Security number. A Social Security number is critical to state and federal reporting and the financial aid process. The Social Security number is protected by the Family Educational Rights and Privacy Act (FERPA) and is not considered directory information and therefore will not be released to a third party. The Internal Revenue Service allows some postsecondary students to claim an education income tax credit on their taxes. In order to claim this credit, the student's Social Security number must be on file at the college so the student's enrollment can be reported to the IRS. The college will make a 1098T form available to the student electronically. This will document the student's SSN on file and the post secondary enrollment information. For tax credit eligibility information, consult your tax professional. The Internal Revenue Service requires that Gateway provide 1098T forms annually to post-secondary students.

## Student ID Number

Every student will have a system-generated ID number that will appear on his or her schedule and most Gateway Technical College correspondence. This number is not considered directory information, and will not be released to a third party. It is important that students know their student ID number.

## Curriculum Sheets

Curriculum sheets detail current course requirements and course descriptions in your program. Useful information concerning possible job opportunities at entry and advanced levels is listed on the back of the sheet. You can obtain curriculum sheets at [gtc.edu](http://gtc.edu) or in Student Services.

## Academic Standards

**Academic and Program Standards** - Academic and program standards are developed and are available to all students.

**Continuous Student Enrollment (Policy J-110)** - Academic programs at Gateway undergo frequent changes to keep programs current with demands in technology and accreditation criteria. Generally, students are allowed to graduate following the program curriculum sheet in place at the time of the student's initial enrollment. Because of frequent program changes and the length of time taken by students to meet graduation requirements, the following policies will govern which curriculum sheet will be used to define a student's graduation requirements:

1. The College can, after two (2) years of non-continuous enrollment, require the student to follow the most recent program curriculum in order to graduate.
2. The College reserves the right to place a seven (7) year limitation on accepting courses for graduation.
3. At any time, a student may elect to follow the most recent program curriculum.
4. The College reserves the right to establish course substitutions when courses are inactivated to meet program curriculum requirements.

## Grading System

### Credits

Each course carries academic credit based on total contact hours and the method of instruction. Credits are used in determining student grade point average. "General College" and developmental/remedial (pre-technical and pre-college) courses do not carry credit toward post-secondary degrees or diplomas.

### Grades

Students enrolled in associate degree, technical diploma, academic prep, or adult high school credit courses will be graded by the following letter grade and point system. These represent various levels of accomplishment and grade points earned. Some instructors may not use plus (+) or minus (-) grades.

Grades	Description	Grade Points
A	Excellent	4.00
A-	Excellent	3.67
B+	Good	3.33
B	Good	3.00
B-	Good	2.67
C+	Satisfactory	2.33
C	Satisfactory	2.00
C-	Satisfactory	1.67
D+	Poor	1.33
D	Poor	1.00
D-	Poor	0.67
F	Failure	0.00

The following grades may appear on your transcript, but will not be included in the Grade Point Average:

- WP -Withdrawal Passing (prior to 2007)
- WF -Withdrawal Failing (prior to 2007)
- W -Withdrawal
- R -Repeated
- I - Incomplete
- AU -Audited (no credit earned)
- TR -Transfer Credit
- PR -Proficiency Credit (Advanced Standing)
- M -Manual Repeat Adjustment

## I Grade

The I (incomplete) grade may be assigned, at the discretion of the instructor, if a student encountered extenuating circumstances which prevented completion of the course. The student must have been close to completing the course but, due to extenuating circumstances, was unable to complete the final exam or some limited amount of coursework. The instructor sets a deadline by which the coursework must be completed. The deadline will be no later than the end of the following semester, not including Summer semester. The I grade will be displayed on the student's transcript, which may be viewed via WebAdvisor. An I grade which is not changed by the deadline set by the instructor will automatically be changed to an F.

## Grade Changes

Grade changes must be made within one year of the end of the semester in which the student registered for the courses. Grade changes will be honored only to correct a mistake or error in calculating or assigning the course grade.

## Student Program Record Sealed at Graduation

Once a student graduates from a program, that record is sealed. No changes are made to grades used to meet program requirements. If a course used to fulfill a graduation requirement is repeated after a student graduates, the repeat does not affect the record; it will not be used for credit or GPA purposes.

## Grade Point Average (GPA)

A student's average grade is expressed in terms of a grade-point average. The grading scale at Gateway Technical College is based on a four-point scale. The grade point average is calculated by dividing the sum of the grade points by the total number of GPA credits. General college, pre-college and pre-technical classes are

developmental and/or remedial classes and do not count toward postsecondary graduation, nor are they used in GPA calculations. To determine grade point average:

- Multiply the number of GPA credits for each course by the grade point value of the letter grades assigned. This converts the letter grades into grade points.
- Add the total number of GPA credits.
- Add the total number of grade points earned.
- Divide the total number of grade points by the total number of GPA credits.

The resulting figure is the student's grade point average. The example below illustrates GPA calculation for one semester.

## Example:

Course	Grade	Point Value		GPA Credits	Grade Points
English Comp I	F	0.00	X	3	0
Contemporary Am. Society	C	2.00	X	3	6
Speech	D	1.00	X	3	3
Management Principles	B	3.00	X	2	6
Accounting I	A	4.00	X	4	16
Investments	AU	-	X	-	-
			Total	15	31
Credits Completed	-	15			
Grade Points Earned	-	31			
Grade Point Average	-	$31/15=2.06$			

## Dean's List

Dean's List honors are granted each semester for students who are accepted into an Associate Degree or Technical Diploma program, have enrolled for a minimum of six (6) credits, not including developmental/remedial credits, and achieved a semester grade point average of 3.75 or better (see section on grade point average). Dean's List calculations are based on courses that have finished (been graded) by the end of the traditional semester. After final grade verification, certificates will be mailed to each eligible student.

## Mid-term Grades

Mid-term grades will be available via WebAdvisor on the dates specified in the calendar. Mid-term grades are a snapshot of your grade on the date the mid-term grade was entered. Mid-term grades do not appear on your transcript and are not calculated into your GPA. Refer to your syllabus for the course grading policy and assignments. Instructor comments may also be provided. Mid-term grades are only required for courses that are at least 13 weeks in length. Mid-term grades are to help

students understand their progression in courses. It is important to review mid-term grades.

## Grades

Students may view their grades via WebAdvisor by selecting the Unofficial Transcript option. Grades are available online the day after the instructor enters them. Students who have an outstanding balance on their account will not be able to view their grades or transcripts.

## Adult Continuing Education Grading Information

Adult Continuing Education courses are non-credit, are recorded on a separate transcript and are not calculated in a student's GPA. Students enrolled in Adult Continuing Education (ACE) courses will be assigned the following grades:

Grades	Grades	Grade Points
S	Satisfactory	No grade points are assigned for Adult Continuing Education Courses
U	Unsatisfactory	
W	Withdrawal	

## Attendance

Gateway Technical College recognizes the importance of attendance in the learning process but does not believe that attendance in and of itself constitutes learning. Instructors will document in their course syllabi fair and reasonable attendance policies for their classes based on their subject matter, delivery methods, learning activities, student audience, external regulations, College and departmental guidelines, and employer expectations in their field of instruction. Students are responsible for reading and understanding each class attendance policy and for learning any material covered during an absence.

## Credit for Prior Learning

### Transfer Credits from another Institution

A student must be accepted to a postsecondary program at Gateway Technical College before transfer credits will be awarded. Gateway Technical College must have official transcripts on file before transfer credits are awarded. A minimum grade of C is required for courses to be accepted in transfer. Courses with a grade of C- or below will not be accepted. A counselor will evaluate the transcripts. The program counselors work with course instructors, academic deans, and the Advanced Standing counselor to determine course transfer credit.

## College Level Examination

Credit will be granted for passing College Level Examination Program (CLEP) exams, either the General Exams or the Subject Exams.

## Military Evaluation

Credit is granted upon review of an official military transcript. Transcripts should be submitted to the Advanced Standing Counselor. Evaluation is accomplished by using the American Council on Education (ACE) Guidelines and referral to specific departments when deemed necessary.

## Tech Prep and Articulation for High School Students

Through an agreement with area high schools, Gateway awards credits for certain approved courses taken at the high school level. Students must enroll in Gateway Technical College within 27 months of high school graduation and have earned a B or better in the high school course. It is also possible for qualified high school students to enroll in a higher level Gateway course with the consent of the program advisor. High school students should speak with their guidance counselors regarding these opportunities.

## Advanced Standing

Advanced Standing recognizes prior learning through the awarding of academic credit. Students with prior learning experience may be able to pass Advanced Standing tests and earn credits toward their diploma or degree from Gateway. Advanced Standing fees are charged and are not covered by Financial Aid. No student is allowed to Advance Stand out of a course which they are failing or for which they have received a letter grade on their official transcript including A through F grades, as well as Incomplete or Withdrawal grades.

The Advanced Standing option should be considered by students who have:

- extensive high school coursework which is not covered under a Tech Prep agreement.
- broad work experience supported by training and seminars with content similar to Gateway courses.
- courses from other institutions which are not regionally accredited.
- diploma courses not directly transferable to Associate Degree programs.
- completion of noncredit coursework, self study or other nontraditional education or training.

Advanced Standing may be available through the following processes.

### 1. Credit through Examination

Credit is granted upon the satisfactory completion of formal written or performance tests for certain courses. An Advanced Standing Counselor facilitates this process.

### 2. Evaluation of Experience

Proficiency credit may be granted for studies or training which lacks accredita-

tion. Students must meet with an Advanced Standing Counselor to determine possible areas to be evaluated. Students can either register for the Life/Work Evaluation course or prepare a written portfolio independently to be evaluated by appropriate instructors.

## Graduation Requirements

The Gateway Technical College District has procedures that govern the graduation requirements for Technical Diploma, Associate Degree Programs and Advanced Technical Certificates. In order to graduate, a student must fulfill the following requirements:

- All the course requirements on the official curriculum sheet must be completed successfully. Any course substitutions must be approved and documented on the student's record.
- Twenty-five percent (25%) of the program credits must be earned at Gateway Technical College. Courses which were completed by the advanced standing process are not counted as credits earned at Gateway Technical College.
- Twenty-five percent (25%) of the major course credits designated with an asterisk (\*) on the curriculum sheet must be earned at Gateway Technical College. Courses which were completed by the advanced standing process are not counted as credits earned at Gateway Technical College.
- The following grade point average (GPA) requirements must be met:
  - o A Program GPA of 2.000 is required to graduate (2.000 on a four-point grading scale is a C).
  - o A Major GPA of 2.000 is required.
- Some programs require a minimum grade of "C" (2.0) in some courses; see your curriculum sheet.
- Individual programs may have additional requirements to meet accrediting agency requirements. Refer to the program curriculum sheet for additional graduation and grade point requirements.
- All student financial obligations must be met before certificates, diplomas, degrees, advanced technical certificates, and transcripts are released.
- It is the student's responsibility to check his/her transcripts prior to the last semester of study to ensure that all the requirements for graduation will be met. All requirements must be completed by the last day of the semester, including removal of incomplete grades and submission of transcripts with transfer credits.

## Computation of Grade Point Average (GPA) for Graduation Cumulative GPA

- All associate degree and technical diploma level courses that a student has taken at Gateway are used to calculate this GPA.
- General College, precollege, and pretechnical are developmental and/or remedial

classes and do not count toward graduation, nor are they used in GPA calculations.

- This GPA appears on the transcript and program degree audit.

## Program GPA

- All courses on the program curriculum sheet are used to calculate this GPA.
- This GPA is used to determine graduation honors.
- This GPA may also be used to determine other department or campus awards.

## Major GPA

- All courses that are designated with an asterisk (\*) on the program curriculum sheet are used to calculate this GPA.
- This GPA is used to determine if the minimum GPA requirement has been met for these selected courses.
- This GPA may also be used to determine other department or campus awards.

## Application for Graduation

Gateway has three (3) graduation dates each year. The graduation dates are the last day of classes of the Summer, Fall, and Spring semesters. Students graduate on the next available graduation date after they have applied for graduation and have met all program requirements. Students who plan to receive a degree or diploma must submit an Application for Graduation form to Student Services by the filing deadline. The filing deadline dates are: Summer Graduation – July 31; Fall Graduation – November 1; and Spring Graduation – March 31. Students who apply for graduation after the deadline will be assigned to the next graduation date. Students who have applied to graduate but fail to meet the requirements must submit a new application to graduate indicating in which semester they intend to graduate.

## Graduation with Honors

Students who complete an Associate Degree or Technical Diploma with a program grade point average (GPA) of 3.750 or above are recognized as honors graduates.

Honors distinction is bestowed upon students attaining the following grade point averages:

- District Honors: 3.750 - 3.899
- President's Honors: 3.900 - 4.000

Honors for purposes of the graduation ceremony are determined by the student's program grade point average using grades posted to the transcript on or before April 1. A graduate's final program GPA is used to determine official honors status which will be recorded on their transcript. The appropriate honor seal is attached to the diploma/degree after final graduation verification. The program grade point average listed on the program degree audit is the official grade point average used to determine honors. Grade point averages are not rounded.

## Graduation Ceremonies

The college graduation ceremonies, held in December and May, are special recognition of students' scholastic achievements at Gateway Technical College. They are formal cap and gown ceremonies and all graduates are encouraged to participate and be recognized. A student's name will appear in the official program and potential honors designation will be acknowledged at the ceremony only if an Application for Graduation form is on file with Student Services by November 1 for the December ceremony and March 31 for the May ceremony. August graduates are invited to participate in the December ceremony. All potential graduates and confirmed graduates are notified in mid-November and mid-April of graduation ceremony details.

### Adult High School Graduation Ceremony

The Adult High School graduation ceremony, held in May, is a special recognition of students' scholastic achievements at Gateway Technical College. This is a formal cap and gown ceremony and all graduates are encouraged to participate and be recognized. December graduates from the previous semester are invited to participate in the May ceremony. For Spring and Summer graduates, the student's name will appear in the official graduation program only if an Application for Graduation form is on file with Student Services by March 31. Students who, as of March 31, have two adult high school credits (six credit hours) or less to complete in Summer term may participate in the ceremony in May of the same year. All potential graduates and confirmed graduates are notified in mid-April of graduation ceremony details.

### HSED/GED Recognition Ceremony

The HSED/GED recognition ceremony, held in May in conjunction with the Adult High School graduation ceremony, recognizes students' earning of their academic credential through Gateway Technical College. This is a formal cap and gown ceremony and all credential recipients are encouraged to participate and be recognized. Students who have earned their credential since April 15 of the prior year are invited to attend the ceremony. Students must complete their testing by April 15 of the current year to participate in the ceremony. Confirmed credential recipients are notified, beginning mid-April, of graduation ceremony details.

## Transcripts

Transcripts of student postsecondary, Adult High School, General Educational Development (GED), High School Equivalence Diploma (HSED), and Adult Continuing Education (ACE) may be secured by submitting a Transcript Request Form or a written, signed request with fee to Student Services. Written consent of the student must be obtained before transcripts may be released. Gateway does not release transcripts received from other institutions. There is a fee for each transcript. The Transcript Request Form is available at [gtc.edu](http://gtc.edu).

## Guaranteed Retraining

Graduates may be eligible for up to six additional credits of free retraining if their employer certifies that they lack certain skills or if the student has been unable to secure employment. Questions regarding retraining available under this policy should be directed to the Institutional Effectiveness/Student Success office.

Gateway is dedicated to helping students identify and achieve realistic goals through excellent educational opportunities. The administration and staff of the College promote responsible participation and high achievement as goals for our students. As a Gateway Technical College student, you should be aware of and accept responsibility as an active, contributing member of the College. This section explains policies and procedures identifying student rights and responsibilities. Gateway Technical College believes that all students have responsibilities in the areas of governance, services, and conduct.

## Student Academic Responsibilities

Students are responsible for their own learning and development. They have a responsibility to be active learners by attending class, participating in class activities and discussions, completing class and laboratory assignments, and preparing in advance for the scheduled class session.

## Student Use of Services Responsibilities

Students are responsible for appropriate use of equipment and services provided by the College:

- Knowledge and participation in student social and professional activities.
- Seeking assistance when facing problems that interfere with educational success.
- Meeting financial obligations to Gateway Technical College and those incurred through student loan programs.

## Student Code of Conduct

### Policy

The Gateway District recognizes that in order to operate a meaningful educational program and a safe environment for students and staff, the Student Code of Conduct will be followed. The Gateway District believes every student has the right to pursue an education free from disruption, harassment, illegal activities, threats, or danger. The District further believes that academic honesty and integrity are fundamental to the educational mission of this College. Every student is expected to comply with the standards set and to be familiar with all the rules and regulations of Gateway Technical College. Any student or group of students may be denied access to the classroom upon the instructor's determination that the behavior impedes student learning and/or the health and safety of peers, self, or the staff. The instructor will notify the student(s) of their denied access. The dean of campus affairs will also be notified by the end of the working day.

## Procedure - Standards

1. Students are expected to comply with all institutional, federal, state, county, and municipal policies, statutes and ordinances.
2. At all times, students are expected to conduct themselves in such a manner as not to interfere with the educational process at Gateway Technical College.
3. Students will conduct themselves in such a manner as not to endanger the safety or welfare of their fellow students.
4. Students must comply with the following College rules and may be subject to discipline, including suspension or expulsion, for the following offenses:
  - a. Obstruction or disruption of the normal operations of the College or activities authorized by the College.
  - b. Physical or verbal abuse, harassment, or detention of any person(s) on College property or at College activities when such endangers the health, safety, or rights of such persons.
  - c. Theft or damage to property of the College or property of any visitor or member of the Gateway Technical College community.
  - d. Unauthorized entry to or use of Gateway Technical College property or facilities.
  - e. Dishonesty, which includes but is not limited to, knowingly furnishing false information to the College, plagiarism, or any form of cheating.
  - f. Use, under the influence of, possession, sale or distribution of narcotic or illegal drugs, firearms, explosives, dangerous chemicals, alcoholic beverages, etc. on Gateway owned or leased property, or at Gateway sponsored activities.
  - g. Possession of a dangerous weapon on College premises or at College-related events.

## Nonacademic Discipline, Suspension, or Dismissal

The following procedures have been developed to address a student who has failed to comply with this policy. Any violation of a Gateway Technical College standard or policy may serve as a basis for one of the following actions.

Step 1: A violation will be reported to the dean of campus affairs or designee, who will determine what, if any, disciplinary action is appropriate. Action may be taken to temporarily suspend a student pending an investigation when the student's continued presence might endanger the student or others.

Step 2: In the event that the administration has reasonable cause to believe that a student has pursued a course of conduct which is contrary to Gateway policy and should require suspension or dismissal, the dean of campus affairs or designee may take appropriate action. Within two (2) days from the action, the student shall be given notice in writing by certified mail or personal delivery regarding the charges and grounds which, if proven, would justify suspension or dismissal within two (2) working days. The notice will also offer the student the opportunity to have a hearing.

Step 3: If the student requests a hearing, he/she must notify the dean of campus affairs or designee in writing within three (3) working days of receipt of the letter.

The student will be notified in writing, by certified mail or personal delivery, of the time and place of a hearing before a disciplinary committee composed of the dean of campus affairs or designee, a staff member, and a student. Said hearing shall be held no less than two (2) working days nor more than seven (7) calendar days from the date the student receives the above notice of hearing. The student shall be provided the name(s) of the witness(es) testifying against him/her and an oral or written report on the facts to which each witness testifies.

Step 4: At any hearing before the disciplinary committee, the student shall have the right to present testimony on his/her own behalf, call witnesses, and be represented by legal counsel of his/her choosing.

Step 5: The committee shall issue a dated, written order (to the student) informing the student of the decision. The order may be personally delivered or sent certified mail. The decision of the committee is final.

### Academic Concerns

#### Policy

The Gateway District believes that students need a process to address academic concerns (i.e. grades/classroom policies) and bring their issues to the faculty and administration's attention. These procedures are intended to afford students, faculty, and the College fair and equal treatment. The student may seek guidance from a Student Services counselor who will assist the student in understanding the process. All complaints must be filed within one (1) year of occurrence.

#### Procedure

Step 1: The student should first address a concern to the instructor. Students are encouraged to attempt to resolve the issue within the first thirty (30) days of the incident, through informal discussion with the appropriate faculty member.

Step 2: If the concern remains unresolved, the student must prepare and submit written documentation to the immediate supervisor or designee of the faculty member which identifies the specific concerns and desired outcomes. The supervisor will share the written complaint with the faculty member and request a written response. The supervisor will meet with the student and the instructor and respond, in writing. This may serve as Step 1 in certain circumstances.

Step 3: If the concern remains unresolved, the student may appeal to the executive vice president/provost by sending a copy of the written complaint, and the supervisor's response to the executive vice president/provost. The supervisor will submit a copy of the faculty member's response to the executive vice president/provost. These documents must be presented to the executive vice president/provost within fourteen (14) working days of the supervisor's decision. If it is determined that a review is appropriate, an appeals committee will be assigned to hear the concern within seven (7) working days of the request.

The appeals committee selection is as follows:

- The executive vice president/provost selects the following four (4) people: one (1) chairperson who will be an administrator, and three (3) faculty/staff members.
- The Campus Student Government Association will select two (2) students from outside the student complainant's program area.
- The student complainant will select one (1) peer from his/her program area.

The committee will make a recommendation to the executive vice president/provost who will make a decision within five (5) working days of the committee hearing. The decision of the executive vice president/provost is final.

## Student Information Updates

It is necessary for the college to have current information in case of illness, emergencies, and the mailing of official correspondence. Therefore, it is the student's responsibility to inform the college through Student Services if there is a change of name, address, or phone number. To update address, phone number, or email students should complete a Student Data Change form available in Student Services or complete changes through the "change address/phone/ email" link on WebAdvisor. E-mail may also be used to provide information. Your Gateway student email address is the only address that will be used so please check it regularly.

## Federal Family Educational Rights and Privacy Act (FERPA)

### Notification of Rights

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

- (1) The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. A student should submit to the registrar a written request that identifies the record(s) the student wishes to inspect. The registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the registrar, that official shall advise the student of the correct official to whom the request should be addressed.
- (2) The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the college to amend a record should write the College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- (3) The right to provide written consent before the College discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The College discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.

- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

  - modifying computer equipment;
  - destroying or damaging a computer, computer system, or computer network;
  - sending messages while intentionally preventing or attempting to prevent the disclosure of one's own identity;
  - disruption or unauthorized monitoring of electronic communications;
  - unauthorized copying or transmission of copyright-protected material;
  - use of the College's trademarks, logos, insignia, or copyrights without prior approval;
  - breaking into or attempting to break into Gateway systems, networks, or user accounts;
  - unauthorized attempts to circumvent data protection schemes or uncover security loopholes. This includes creating and/or running programs that are designed to identify security loopholes and/or decrypt intentionally secure data.
  - using Gateway systems or networks as any part of an attempt to break into or disrupt other systems or networks;
  - downloading files or installing unauthorized software of any kind to electronic storage devices;
  - unauthorized use of Internet, computer accounts, access codes (including passwords), or network;
  - use of identification numbers, user names, and/or authentication credentials (including e-mail/Internet/Intranet addresses) assigned to others;
  - use of computing facilities:
    - for private business purposes unrelated to the mission of the college or to College life;
    - for campaign or political purposes;
    - use which constitutes academic dishonesty;
    - violation of software license agreements;
    - violation of network usage policies and regulations;
  - accessing, displaying or sending obscene, pornographic, sexually explicit, or offensive material;
  - using any obscene, lewd or profane language or suggesting any lewd or lascivious act;
  - intentional or negligent distribution of destructive programs such as computer viruses;
  - creating, sending, or forwarding chain letters (messages that are forwarded many times to people who have not solicited the information);

- permitting, encouraging, or directing another person to send a message prohibited by this policy from any Gateway computer or system under the user's control
- unauthorized solicitations such as creating and promoting products or services for sale.
- use that is deemed unnecessary or excessive; use which facilitates violating other Gateway policies; and use which interferes or disrupts Gateway employees from performing their jobs;

## Account Guidelines

Once you are given access to computing resources at Gateway, you are responsible for any and all use made of those resources with your user identification. The following responsibilities apply to users accessing any of the College's computer and networking resources and information systems. The user is responsible for correct and sufficient use of the tools available for maintaining the security of information stored on each computer system.

- Computer accounts, user names, passwords, and other types of authorization that are assigned to individual users may not be shared with others.
- The user should create strong passwords and change them frequently.
- The user should be aware of computer viruses and other destructive computer programs and take steps to avoid being a victim or unwitting distributor of these processes.
- Only authorized persons may use Gateway computer and network resources. Authorized users include only Gateway employees, currently enrolled students, and residents of the district who have obtained library cards.

Be sensitive to the needs of others, and use only your fair share of computing resources. Collegiality requires:

- regular deletion of unneeded files from one's accounts on shared computing resources;
- refraining from overuse of connect time, information storage space, printing facilities, processing capacity, or network services;
- refraining from use of sounds and visuals which might be disruptive or offensive to others;
- refraining from use of computing resources in an irresponsible manner

## E-mail, Internet, and Intranet Usage

Use of College-provided e-mail/Internet/Intranet for personal communications shall be comparable to what is allowed for personal local use of College telephones. Limited personal use of e-mail/Internet/Intranet is permitted so long as that use:

- does not create any undue cost to the College;
- if used by employees, does not interfere with an employee's assigned duties;
- is brief in its volume or frequency;
- does not disrupt College business;
- does not compromise the security or integrity of College information or software;
- is not otherwise prohibited by this policy or any other College policy or directive

In no instance may e-mail/Internet/Intranet or computers be used for commercial, campaign or political purposes, or to promote an outside business or group. While Gateway respects the privacy of users and does not routinely inspect or monitor individual use of the College's computing and networking resources, the College will not provide a guarantee of security and privacy of one's e-mail/Internet/Intranet and electronic files. Be advised that state law (Section 19.35 Wisconsin Statutes) requires that records created or kept by Gateway, including e-mail/Internet/Intranet or electronic files, must be made available for public inspection and copying, subject to limited exceptions. In addition, unless protected by legal privilege, e-mail/Internet and electronic files can and will be discoverable in litigation that involves the College.

Accordingly, the following guidelines are established for responsible e-mail/Internet/Intranet use.

- E-mail/Internet/Intranet may not be used with the intent to disrupt communication or other system services.
- Electronic communication that is unwelcome, repeated, or has the intent or effect of unreasonably interfering with an individual or group's educational or work performance, by creating a hostile, intimidating or offensive educational or work environment constitutes harassment and is prohibited. Further, harassment targeted toward an individual on the basis of his or her sex, race, color, gender, disability, religion, national origin, sexual orientation, veteran's status or age will not be tolerated. If you receive unwanted e-mail/Internet/Intranet, notify the sender that it is unwelcome. If the communication continues after the sender has been placed on notice, please immediately contact the Human Resources Department or the Vice President - Student Support.
- Any attempt to disrupt E-mail/Internet/Intranet resources by practices including but not limited to spamming or phishing.

## Role of the Learning Innovation Division

Responsible system maintenance may require that files be backed up, data cached, activity logs kept, and overall system activity monitored. In the process of these activities, Gateway staff may see your e-mail/Internet/Intranet and files. The College shall also have access to and may monitor non-Gateway computer and network resources used by Gateway employees in the course of their official duties.

Computers and networks are for use by authorized users only. Individuals using these systems are subject to having their activities on these systems monitored and recorded by system personnel.

An account will also be inspected or monitored when:

- Activity from an account prevents access to the College's computing or networking resources by others.
- Activity from an account is disrupting or threatening the integrity of the network or network systems.
- General usage patterns indicate that an account is responsible for illegal activity.
- There are reports of violations of policy or law taking place.
- It appears necessary to do so to protect Gateway from legal liability.
- It is required by and consistent with law.

Whenever possible evidence of criminal activity is discovered, Gateway personnel will provide the evidence of such activity to law enforcement officials in accordance with state and federal statutes.

## **Sanctions for Inappropriate or Illegal Use of College Computing, Networking and Information Resources**

If you violate any of the Gateway computer and network use policies, you may be subject to disciplinary actions or the loss of privileges, including but not limited to, loss of access to computing resources as well as to Gateway disciplinary action up to and including termination and/or legal action.

Any offense that violates federal, state and/or local laws may result in the immediate loss of all Gateway computing privileges and will be referred to appropriate Gateway administrators and/ or law enforcement authorities.

If Gateway Learning Innovation Division staff have evidence of misuse of computing and networking resources or information systems through a specific account, they will take the following steps to protect the systems, networks, and the user community:

- The suspected accounts will be suspended immediately pending the outcome of any investigation.
- The user's e-mail/Internet/Intranet, files, disks, and/or other data and computer-accessible storage media on the account will be inspected for evidence.
- Investigation of a student will be reported to the Student Success division, and investigation of a faculty or staff member will be reported to that individual's supervisor when appropriate.
- Any violation will be reported to the appropriate authorities:
  - Policy violations by a faculty or staff member will be reported to the individual's supervisor and to the Human Resources Department.
  - Policy violations by a student will be reported to the Campus Dean and the Executive Vice-President/Provost.
  - Policy violations by a district resident will be reported to the Campus Dean and the Executive Vice-President/Provost.
  - Illegal activity by a faculty or staff member, student, or district resident will be reported to the police and other appropriate law enforcement officials.

## **Data Security and Integrity**

Gateway provides reasonable security against intrusion and damage to files stored on the central computing facilities. In the event that data have been tampered with or modified in any way as a result of intrusion, Gateway Learning Innovation Division staff should be notified immediately. Gateway also provides limited facilities for archiving and retrieving files specified by users and for recovering files after accidental loss of data. However, Gateway cannot be held accountable for unauthorized access by other users and is not liable for the inadvertent or unavoidable loss or disclosure of the contents of stored files.

Gateway recommends that students back-up their own data on a regular basis. Gateway is not responsible for back-up or any lost data.
