

Welcome to the fifth annual Holiday Gifting Art & Craft Show.

This event is sponsored as a fundraiser by the **Gateway Association for Career and Technical Education (GACTE)**. This professional development organization donates the majority of its proceeds to the Gateway Student Emergency Fund of the Gateway Foundation, which assists students in meeting short-term financial situations that may, otherwise, have terminated their ability to stay in college.

We hope you enjoy our show and have a happy and safe holiday season.

GACTE would like to thank the vendors, attendees, and volunteers of the 2012 Holiday Gifting Art and Craft show. In addition to sharing a fun experience together, it is good to know that it is contributing thousands of dollars to Gateway Technical College Foundation's Student Emergency Fund. We would like to extend a special thanks to Tedd Lupella, a Gateway instructor, who has donated his time and equipment to extend holiday music throughout the Gifting Show hallways. And to the Gateway Kenosha Campus Facilities Department who do a phenomenal job of preparing and servicing the show.
