

# Star Ambassador Presentation

Each Ambassador Award nominee will be given the opportunity to prepare a five minute presentation for the Ambassador Award Selection Committee. All presentations will be videotaped to assist the Selection Committee in determining Gateway's finalists.

Your presentation should cover the following topics:

1. Tell us about yourself.
2. What would you say to a potential Gateway student about your experiences at Gateway?
3. Define success.
4. If you could change anything about Gateway and there were no limits involved, what would you change and why?
5. Why should we select you as Gateway's Star Ambassador and what would it mean to you?

In addition to covering the above topics, nominees will also be rated on the following criteria:

-  Goals
-  Value of a technical education
-  Ability to communicate
-  Enthusiasm
-  Self-confidence
-  Professional appearance
-  Leadership traits

Remember, you have been nominated for your exceptional student status at Gateway. Relax and have fun with your presentation.

Good luck!
