**Jane Kluchka at:**

(262) 564-3402  
or kluchkaj@gtc.edu

The ability to maintain a safe and secure workplace is essential to worker safety. This conference is designed to provide the resources and information to enhance safety through awareness, design, delivery and evaluation.

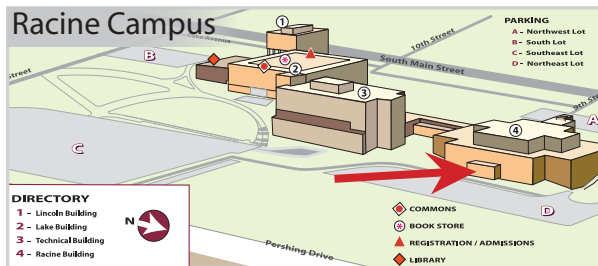

Those attending will have the opportunity to hear from OSHA Compliance Officers, the Director for the Milwaukee area office, along with other respected leaders and practitioners in the field.

## 2nd Annual Safety Day

## Schedule of Events

The Milwaukee Area OSHA office, the The American Society of Safety Engineers (ASSE) Wisconsin Chapter, Gateway Technical College, and WisCon invite your company to participate in the **2nd annual Safety Day event held at:**

**Gateway Technical College  
Racine Building Conference Center  
March 13th, 2013**

This is an event for employees and managers of businesses in general industry to learn about safety and health requirements for their workplace.

Vendors will have displays exhibited through-out the day for you to browse through at your convenience.

**Cost includes:**  
Breakfast with OSHA
