The third Annual Racine/Kenosha FastPitch Competition is your chance to prove the potential of your business idea...meet people who can help you succeed...maybe even win a cash prize! Competitors will have three minutes max to *hit it out of the park* before a panel of judges from the business and investment community.

This is no field of dreams!

Top prize of \$5,000 will be awarded and prizes will be given to second and third place. All competitors will receive invaluable feedback, a fun experience and exposure to investors, business leaders, potential mentors, and media.

In business, "three strikes" is generous. If you can't pitch your product, service or concept in three minutes—you're outta there!
