The schedule of principal and interest payments due on the Notes is set forth on the Debt Service Schedule attached hereto as <u>Exhibit B-2</u> and incorporated herein by this reference (the "Schedule").

<u>Section 3. Redemption Provisions</u>. The Notes maturing on April 1, 2025 and thereafter shall be subject to redemption prior to maturity, at the option of the District, on April 1, 2024 or on any date thereafter. Said Notes shall be redeemable as a whole or in part, and if in part, from maturities selected by the District and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 4. Form of the Notes. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as $\underline{\text{Exhibit C}}$ and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the District are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the District a direct annual irrepealable tax in the years 2016 through 2025 for the payments due in the years 2017 through 2026 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Notes remains unpaid, the District shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the District and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the District for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the District then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the District, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the District may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for \$1,500,000 General Obligation Promissory Notes, Series 2016-2017C, dated September 6, 2016" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. The District Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the District at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the District above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the District, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the District, unless the District Board directs otherwise.

<u>Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund</u>. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the District and disbursed solely for the purpose for which borrowed or for the payment of the principal of and the interest on the Notes. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose for which the Notes have been issued has been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the District, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

<u>Section 9. Compliance with Federal Tax Laws</u>. (a) The District represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The District further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The District further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The Secretary or other officer of the District charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the District certifying that the District can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The District also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the District will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the District by the manual or facsimile signatures of the Chairperson and Secretary, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the District of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the District has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The District hereby authorizes the officers and agents of the District to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate

calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

<u>Section 11. Payment of the Notes; Fiscal Agent</u>. The principal of and interest on the Notes shall be paid by the District Secretary or District Treasurer (the "Fiscal Agent").

<u>Section 12. Persons Treated as Owners; Transfer of Notes</u>. The District shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and Secretary shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The District shall cooperate in any such transfer, and the Chairperson and Secretary are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 13. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the District at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the District agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the District and on file in the District office.

Section 15. Official Statement. The District Board hereby approves the Preliminary Official Statement with respect to the Notes and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the District in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate District official shall certify the Preliminary Official Statement and any addenda or Final Official Statement. The Secretary shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 16. Undertaking to Provide Continuing Disclosure. The District hereby covenants and agrees, for the benefit of the owners of the Notes, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the District to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

To the extent required under the Rule, the Chairperson and Secretary, or other officer of the District charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the District's Undertaking.

<u>Section 17. Record Book</u>. The Secretary shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 18. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Notes, the officers of the District are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and Secretary are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and Secretary including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 19. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the District Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

FOR VALUE RECEIVED, Gateway Technical College District, Racine, Kenosha and Walworth Counties, Wisconsin (the "District"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on April 1, 2017 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Note are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Note is registered on the Bond Register maintained by the Secretary or District Treasurer (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding the semi-annual interest payment date (the "Record Date"). This Note is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Note together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the District are hereby irrevocably pledged.

This Note is one of an issue of Notes aggregating the principal amount of \$1,500,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the District pursuant to the provisions of Section 67.12(12), Wisconsin Statutes, for the public purpose of financing building remodeling and improvement projects or site improvement projects, all as authorized by resolutions of the District Board duly adopted by said governing body at meetings held on July 11, 2016 and August 18, 2016. Said resolutions are recorded in the official minutes of the District Board for said dates.

The Notes maturing on April 1, 2025 and thereafter are subject to redemption prior to maturity, at the option of the District, on April 1, 2024 or on any date thereafter. Said Notes are redeemable as a whole or in part, and if in part, from maturities selected by the District and within each maturity, by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

In the event the Notes are redeemed prior to maturity, as long as the Notes are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Notes of a maturity are to be called for redemption, the Notes of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Notes called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Notes shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Notes shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Note have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the District, including this Note and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Note, together with the interest thereon, when and as payable.

This Note is transferable only upon the books of the District kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Notes, and the District appoints another depository, upon surrender of the Note to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new

fully registered Note in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the District for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Notes (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Notes, or (iii) with respect to any particular Note, after such Note has been called for redemption. The Fiscal Agent and District may treat and consider the Depository in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Notes are issuable solely as negotiable, fully-registered Notes without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, Gateway Technical College District, Racine, Kenosha and Walworth Counties, Wisconsin, by its governing body, has caused this Note to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Chairperson and Secretary; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.

TOP Technical Building 3rd Floor Renovation Racine Bid 1512 081816

August 9, 2016

Mr. William Whyte Gateway Technical College 3520 30th Avenue Kenosha, Wisconsin 53140

RE: Racine Campus Tech Building Third Floor Renovation Offical Notice No. 1512

Dear Mr. Whyte:

On Friday July 29, 2016 we received prime contractor bids for the Racine Campus Tech Building Third Floor Renovation project. Judy Braun and John Thielen were in attendance on behalf of Gateway Technical College and I was in attendance on behalf of Partners In Design Architects for the receipt of bids.

The Tech Building Third Floor Renovation consisted of one base bid, six alternate bids and two unit prices. The unit prices are in regards to the potential need to repair and splice an individual multi-mode or single mode fiber cable.

After reviewing the bids with John Thielen and your self, we are recommending the Board accepts the base bid and alternates no. 5 & 6 to complete this project. Alternate bid no. 5 is an additive alternate to replace the fire rated stairwell doors completely. Alternate bid no. 6 is a deductive alternate to use a floor mounted in-carpet raceway to the teacher stations in lieu of poke-thru's.

Based on our bid evaluation we are recommending that the contract value for Beeler Construction, Inc be \$891,937.00. Gateway Technical College should also budget approximately \$81,615.00 for architectural and engineering fees related to the competitive bid process and reimbusable fees.

We further recommend that a contingency of roughly \$26,448.00 to be held by the college in a contingency fund outside of the construction contract for any unforeseen conditions that can arise due to the renovation nature of the project.

Prime Contract:	\$ 891,937.00	(Contract Value for Beeler)
A&E Fees:	\$ 79,315.00	(PIDA Fees Hourly)
Reimbursable Fees	\$ 2,300.00	
Contingency	\$ 26,448.00	(Owner Held)
Total Project Cost:	\$ 1,000,000.00
