#### Resolution No. F-2022-2023B.1

#### RESOLUTION AUTHORIZING THE ISSUANCE OF \$1,500,000 GENERAL OBLIGATION PROMISSORY NOTES, SERIES 2022-2023B, OF GATEWAY TECHNICAL COLLEGE DISTRICT, WISCONSIN

WHEREAS, Gateway Technical College District, Wisconsin (the "District") is presently in need of \$1,500,000 for the public purpose of financing building remodeling and improvement projects; and

WHEREAS, the District Board deems it necessary and in the best interest of the District to borrow the monies needed for such purpose through the issuance of general obligation promissory notes pursuant to the provisions of Section 67.12(12), Wis. Stats.;

NOW, THEREFORE, BE IT:

RESOLVED, that the District shall issue general obligation promissory notes in the amount of \$1,500,000 for the public purpose of financing building remodeling and improvement projects; and be it further

RESOLVED, THAT:

<u>Section 1. Note Authorization</u>. The District shall issue the general obligation promissory notes authorized above in the aggregate principal amount of \$1,500,000 and designated "General Obligation Promissory Notes, Series 2022-2023B" (the "Notes"), the proceeds of which shall be used for the purpose specified above.

Section 2. Notice to Electors. The District Secretary shall, within ten (10) days hereafter, cause public notice of the adoption of this resolution to be given to the electors of the District by publishing notices thereof in the Elkhorn Independent, Kenosha News and Journal Times, the official District newspapers published and having general circulation in the District, which newspapers are found and determined to be likely to give notice to the electors, such notice to be in substantially the form set forth on Exhibit A hereto.

Section 3. Official Statement. The District Secretary shall cause an Official Statement to be prepared by Robert W. Baird & Co. Incorporated. The appropriate District officials shall determine when the Official Statement is final for purposes of Securities and Exchange Commission Rule 15c2-12 and shall certify said Statement, such certification to constitute full authorization of such Official Statement under this resolution.

Adopted this 11th day of July, 2022.

#### **NOTICE**

#### TO THE ELECTORS OF:

Gateway Technical College District, Wisconsin

NOTICE IS HEREBY GIVEN that the District Board of the above-named District, at a meeting duly called and held on July 11, 2022, adopted pursuant to the provisions of Section 67.12(12) of the Wisconsin Statutes, a resolution providing that the sum of \$1,500,000 be borrowed through the issuance of general obligation promissory notes of the District for the public purpose of financing building remodeling and improvement projects.

A copy of said resolution is on file in the District Office, 3520 30th Avenue, Kenosha, Wisconsin, and is available for public inspection weekdays, except holidays, between the hours of 8:00 A.M. and 4:00 P.M. or in the alternative by contacting Susan M. Debe at the District by email at the following address: <a href="mailto:debes@gtc.edu">debes@gtc.edu</a>.

The District Board need not submit said resolution to the electors for approval unless within 30 days after the publication of this Notice there is filed with the Secretary of the District Board a petition meeting the standards set forth in Sec. 67.12(12)(e)5, Wis. Stats., requesting a referendum thereon at a special election.

Dated July 11, 2022.

**ACTION AGENDA Review of Draft Policy 2.5** 

Board Liaison: Chairperson

#### **President Emeritus Designation**

The Board may grant President Emeritus status to a retiring or retired College president. This designation should be reserved to honor, in retirement, a president who has provided outstanding and distinguished service to the College and has served a significant portion of his/her career at the College. Outstanding and distinguished service is defined as service which goes beyond the normal duties and responsibilities of the appointment, and which have had extraordinary impact on the College and/or broader community. Emeritus status is given to an individual who has demonstrated exceptional commitment and contributions to the College, exemplifying the highest standards of personal and professional integrity, civic responsibility, vision, and leadership. The designation identifies the retired president as a continuing member of the College community.

#### Accordingly,

- 1. A member of the Board of Trustees may nominate a retiring or retired College president as President Emeritus. This designation must be approved by a majority vote of the Board of Trustees.
- 2. In addition to the benefits and privileges received by all retired faculty and staff, a College president granted emeritus status will also receive:
  - a. A resolution naming and honoring the retiring or retired College president as President Emeritus;
  - b. The option to include this designation in appropriate College publications and/or website;
  - c. Use of the title "President Emeritus" in community and professional activities or in any College advocacy efforts requested by the current President;
  - d. Invitations to appropriate College events and activities; and
  - e. The option to participate in commencement exercises.
- 3. The current College president may call upon the President Emeritus to provide counsel, advocacy, or to serve in various volunteer roles and/or capacities in support of the College. Presidents Emeriti are not required to continue to be of service to the College community.
- 4. The title of President Emeritus confers no remuneration, rights to employment, or benefit in addition to those provided above. Presidents Emeriti do not exercise any of the authority or administrative functions associated with holding a staff position at the college.
- 5. The Board of Trustees retains the authority to withdraw a President Emeritus title at its discretion as it deems necessary and appropriate.
- 6. The title of President Emeritus may also be awarded posthumously.

RE: Kenosha Campus

Science Building Remodel Offical Notice No. 1648

#### Dear Mrs. Johnson:

On Thursday, March 24, 2022, at the office of your construction manager, Riley Construction, subcontractor bids were received and opened for Kenosha Campus Science Building HVAC Repairs. Rhonda Cerminara, Vicki Christensen and John Thielen were in attendance on behalf of Gateway Technical College. Garrick Palay, Michael Eiswerth and Ryan Marcangelo were in attendance on behalf of Riley Construction. I was in attendance on behalf of Partners In Design Architects.

Since bid day, Partners in Design Architects has been working with Riley Construction and Gateway Technical College to evaluate the bids and clarify the bid day numbers. We are recommending that the base bid, and alternate bids 1 and 2 be accepted. We are not recommending alternate 3 at this time.

Based on our bid evaluation and clarifications, we recommend that the contract value for Riley Construction be \$1,139,248.00 for the Kenosha Campus Science Building Remodel Project. Gateway Technical College should also budget approximately \$96,838.00 for architectural and engineering fees, and \$310.00 for reimbursable costs related to printing. We are also recommending the college carry a \$38,604.00 contingency for owner direct cost associated with Asbestos Abatement and unforseen conditions.

Contract: \$ 1,139,248.00 (Riley's Contract)
A&E Fees: \$ 96,838.00 (PIDA fee 8.5%)

Reimbursable Fees: \$ 310.00 Owner held contingency: \$ 38,604.00 Total Project Cost: \$ 1,275,000.00

Should you have any questions regarding our recommendation, please do not hesitate to give me a call.

Sincerely,

Jeffrey E. Bridleman, AIA

iMET Center Parking Lot Repairs

Offical Notice No. 1662

#### Dear Mrs. Johnson:

On Tuesday, June 21, 2022, at the office of your construction manager, Riley Construction, subcontractor bids were received and opened for iMET Center Parking Lot Repairs. John Thielen and Vicki Christensen were in attendance on behalf of Gateway Technical College. Patrick Mayhew, Graham Bullmore, and Garrick Palay were in attendance on behalf of Riley Construction. I was in attendance on behalf of Partners in Design Architects.

Since the date bids were received, Partners in Design Architects has been working with Riley Construction and Gateway Technical College to evaluate the bids and clarify the bid day numbers. The project requested a base bid and three alternate bids. For your reference, the alternates are noted as 2, 5, and 6. We recommend accepting the base bid and alternate bids 2 and 6.

Based on our bid evaluation and clarifications, we recommend that the contract value for Riley Construction be \$554,324.00 for the iMET Center Parking Lot Repairs. Gateway Technical College should also budget approximately \$50,404.00 for architectural and engineering fees and \$5,747.00 for reimbursable costs related to printing, geotesting services, topographic survey and DNR Notice of Intent permit.

Contract: \$ 554,324.00 (Riley's Contract) A&E Fees: \$ 50,404.00 (PIDA fee 8.75%)

Reimbursable Fees: \$ 5,747.00 Owner held contingency: \$ 9,525.00 Total Project Cost: \$ 620,000.00

Should you have any questions regarding our recommendation, please do not hesitate to give me a call.

Sincerely,

Jeffrey E. Bridleman, AIA, ALA

RE: Racine Campus

iMET Center Classroom Noise Repairs

Offical Notice No. 1663

#### Dear Mrs. Johnson:

On Tuesday, June 21, 2022, at the office of your construction manager, Riley Construction, subcontractor bids were received and opened for iMET Center Classroom Noise Repairs. John Thielen and Vicki Christensen were in attendance on behalf of Gateway Technical College. Patrick Mayhew, Graham Bullmore, and Garrick Palay were in attendance on behalf of Riley Construction. I was in attendance on behalf of Partners in Design Architects.

Since the date bids were received, Partners in Design Architects has been working with Riley Construction and Gateway Technical College to evaluate the bids and clarify the bid day numbers. The project requested a base bid and three alternate bids. For your reference, the alternates are noted as 1, 3, and 4. We recommend accepting the base bid and alternate bid number 4.

Based on our bid evaluation and clarifications, we recommend that the contract value for Riley Construction be \$172,832.00 for the iMET Center Classroom Noise Repairs. Gateway Technical College should also budget approximately \$17,665.00 for architectural and engineering fees and \$203.00 for reimbursable costs related to printing.

Contract: \$ 172,832.00 (Riley's Contract) A&E Fees: \$ 17,665.00 (PIDA fee 9.5%)

Reimbursable Fees: \$ 203.00 Owner held contingency: \$ 9,300.00 Total Project Cost: \$ 200,000.00

Should you have any questions regarding our recommendation, please do not hesitate to give me a call.

Sincerely,

Jeffrey E. Bridleman, AIA, ALA

#### **DBA Committee Descriptions**

#### **Board of Directors**

Each district board is asked to designate one trustee to represent the college on the DBA Board of Directors. The Board meets at the four Association quarterly meetings (hybrid- virtual or inperson) and for one Annual Planning Meeting, usually held in late August in Madison. The Board sets policy for the Association, has final approval of all bylaws, policy and procedures manual changes, determines the annual Association budget, approves compensation for staff, and is the governing and oversight board for the Executive Director.

Board of Directors Delegate Commitment: It is important that we have full representation from all colleges at the board meetings. Board of Directors Delegates are asked to attend all Association Board Meetings either in-person or virtually. If a delegate is unable to attend a meeting, they should identify a proxy delegate for that meeting and notify the DBA.

#### **External Partnerships Committee**

This committee meets during quarterly meetings (hybrid—virtual or in-person) and works to explore innovative partnerships, external challenges, and emerging opportunities for collaboration, while building understanding and strengthening relationships between trustees and local, state, and national leaders. In collaboration with the host college, the committee meets with strategic partners that include but are not limited to:

- K-12 leaders
- Employer-partners
- Chamber officials
- County board members
- Presidents Association
- Higher education leaders
- Association of Community College Trustees
- Community and Faith-Based Organizations
- Other stakeholders and partners

Led by two trustee co-chairs with support from staff, this committee also generates programming input for Association staff to develop for in-service sessions.

Each district board is asked to appoint one to four trustees to serve on the External Partnerships Committee.

#### **Internal Best Practices Committee**

This committee meets during quarterly meetings (hybrid—virtual or in-person) to share and discuss best practices internal to the technical college system on topics of interest to the members. Past topics appropriate for this committee include:

- Board and Association best practices around new member orientation;
- "Boardsmanship," or how to be effective at the board table, legal and ethical parameters, and other skillsets for trustees;
- Human resources and employee compensation best practices;
- Student services best practices (mental health, veterans services);
- Instructional services best practices (career pathways, credit for prior learning, Promise programs); and
- Other emerging trends and topics

Led by the co-chairs, the Internal Best Practices Committee also generates programming input, suggesting topics for Association staff to develop for in-service sessions.

Each district board is asked to appoint one to four members to serve as part of the Internal Best Practices Committee.

#### **Bylaws, Policies and Procedures Committee**

The Bylaws, Policies and Procedures Committee, as set forth in Article IX of the Bylaws, reviews the Association's Bylaws, Policies and Procedures Manual and recommends changes to the Board of Directors where appropriate.

The Committee has additional specific assignments:

- At the Board of Directors' request, develop a select list of major issues on which the Board of Directors may request member consideration.
- At the request of the Board of Directors, committee chair, or an individual member district board of the Association, review a proposed resolution or proposed change in the bylaws, policies or procedures for the purpose of recommending whether the proposed language will accomplish the desired effect, and/or whether the proposed change would require amendment of any other portion of the corporate bylaws, policies, or procedures.

#### **Awards Committee**

The Awards Committee has responsibility for rating and identifying:

- Board Member of the Year;
- Technical Education Champion (TECh) Award recipients;
- Media Award recipients;
- Distinguished Alumni of the Year.

This committee conducts their work over e-mail/electronically, outside of the quarterly meetings. Each district board is asked to select one trustee to serve on the committee who will review and rate nominations for the Association awards program on behalf of their college.

The Committee determines, selects the recipients of, and delivers the Association's annual awards via the following process:

Association staff announce the nomination period for each award. At the end of the nomination period, the Association provides the Awards Committee with a slate of nominees eligible for the award, and with corresponding nomination materials. The Awards Committee selects award recipients by rating colleges' nominees against a set rubric of criteria for each award. Association staff then tabulate the scores and announce the winner. Whenever possible, awards are presented at the next quarterly meeting of the Association.

Awards Committee Commitment: The DBA requests ratings from each college for awards. Awards Committee members read nominations for each award (one award each quarter) and submit a rating for each nomination. Members have about two weeks to complete this activity. During the rating process, members read or view 8-10 nominations for an award and rate each award on 4 or 5 rating criteria. Members are allowed to split this responsibility with another board member.
