

**Contract For Service Participation Approval Form
Gateway Technical College Nursing Assistant**

Gateway's Nursing Assistant Course requires program acceptance to the Nursing Assistant program, requiring an application, placement testing, and background check & medical document manager prior to the first day of class. Each clinical placement has site specific requirements which may include COVID-19 vaccination requirements. These prices and requirements are subject to change with little or no notice. Students must also complete an online registration form to enroll in the Contract For Service Nursing Assistant section. After successfully completing the course, students can take the State of Wisconsin's licensure exam to become a Certified Nursing Assistant (CNA). There is an additional fee for the exam. An average of 78% or better is required on all coursework to pass the classroom part of the course. Attendance is very important in this class. There are federal requirements of attendance. Too many hours missed could result in an incomplete or a failure of the course.
