

High school students have the opportunity to earn Gateway credit.

Suggested courses include:

531-326 Emergency Medical Technician**	5 credits
503-142 Firefighting Principles*	4 credits
503-780 Hazardous Materials Operations* (non-credit--required for certification)	
503-130 Firefighter Health & Wellness	2 credits
503-143 Building Construction	3 credits

* Stacked classes. Students must have successfully completed 16 hours of Hazardous Materials Operations in order to be eligible to participate in the Firefighter 1 certification exam.

** By completing this course students earn their EMT credential and are eligible to take the national registry certification exam.
