Flappy Bird Coding Activity

In this activity, you will visit **code.org** to explore basics of coding during an "hour of code"

- Click on **Do an Hour of Code** under the **LEARN AT HOME** tab towards the bottom of the page
- Scroll down at click on **Flappy Code**
- Watch the video on **Flappy Code**
- After watching the video, follow the **Flappy Bird Lessons until level 10**
- If you're interested in practicing more code, you can create an account on code.org
