

**DEGREE COMPLETION
ARTICULATION AGREEMENT**

BETWEEN

GATEWAY TECHNICAL COLLEGE (Gateway)

AND

**RADER SCHOOL OF BUSINESS
MILWAUKEE SCHOOL OF ENGINEERING (MSOE)**

January 2013

The purpose of this degree completion articulation agreement is to provide a seamless transfer process for learners at Gateway Technical College (Gateway) who desire further education to enter Milwaukee School of Engineering. This agreement specifically addresses the MSOE Business Management +2 and the Management Information Systems +2 undergraduate degree completion options. Through the collaborative efforts of faculty, student services, and administration, learners will encounter a clear path to reach their educational goals.

This agreement applies to learners who complete the Gateway degree programs specified below and who meet the admission requirements of Milwaukee School of Engineering as well as any other conditions specified in this agreement.

Accounting	IT Network Specialist
Administrative Professional	IT Programmer/Analyst
Business to Business Marketing	IT Web Developer
Business Management	Marketing Communications
IT Computer Support Specialist	Marketing
	Supervisory Management

Students will be admitted to either the Bachelor of Science in Business Management +2 (BS-BM+2) program or the Bachelor of Science – Management Information Systems +2 (BS-MIS+2) program at Milwaukee School of Engineering's Rader School of Business and will be granted junior standing. These students will receive transfer credit for up to 50% of the total quarter credits required for completion of the MSOE degree.

**MILWAUKEE SCHOOL OF ENGINEERING ADMISSION EXPECTATIONS
AND TRANSFER CREDIT**

While Gateway graduates receive full credit for their associate degree, MSOE has the following requirements for admission to and completion of the +2 programs. These include:

- Successful completion of all Gateway courses in the respective associate degree program with a C grade or better expected in each course.
- Earning a cumulative GPA of 2.75 or higher in all Gateway coursework.

In addition, MSOE requires that students complete at least 50 percent of the credits in an MSOE Bachelor's degree program at MSOE. The maximum percentage of a program's credits that a student can transfer is 50 percent. Because the BS-BM +2 and the BS-MIS +2 programs are degree completion programs, students awarded junior status upon admission are considered to have the maximum number of transferable credits.

PROGRAMS COVERED BY THIS AGREEMENT

The information below is based on Gateway web-published program requirements as of November 2012 and MSOE's program requirements as published in the 2012-13 Undergraduate Academic Catalog. Any changes to Gateway or MSOE program requirements will require modifications to this agreement.

Unless noted in the table below, individuals with an earned Associate's of Applied Science degree from Gateway will be awarded junior standing at MSOE. Credits at MSOE are based on the academic quarter system with one semester credit equal to 1.5 quarter credits. Junior standing at MSOE is awarded when students have completed or transferred 88-135 quarter credits.

Gateway program	Gateway semester credits accepted	MSOE junior standing	MSOE program name	Total MSOE quarter credits required for degree	Total MSOE degree completion quarter credits required * (Number of credits required may be reduced to net 50% by additional electives completed at Gateway.)
			BS-BM +2	191	
Accounting	67/100%	YES			99
Administrative Professional	69/100%	YES			113
Business to Business Mktg	69/100%	YES			96
Business Management	69/100%	YES			96
Marketing Communications	68/100%	Yes			105
Marketing	69/100%	YES			96
Supervisory Management	69/100%	YES			96

Gateway program	Gateway semester credits accepted	MSOE junior standing	MSOE program name	Total MSOE quarter credits required for degree	Total MSOE degree completion quarter credits required * (Number of credits required may be reduced to net 50% by additional electives completed at Gateway.)
			BS-MIS +2	192	
IT Computer Support Specialist	67/100%	YES			105
IT Network Specialist	70/100%	YES			101
IT Programmer/Analyst	69/100%	YES			103
IT Web Developer	69/100%	YES			103

* Total number of degree completion quarter credits required is based on fulfillment of MSOE requirements by Gateway courses. Please see the attached program planning worksheets for more information on specific Gateway degree program and the MSOE BS-BM+2 or BS-MIS+2 programs. The total number of MSOE credits may be reduced if a learner takes additional Gateway elective classes; **however, at least 50% of the degree completion quarter credits must be taken at MSOE.**

PROVISIONS OF THIS AGREEMENT:

1. **Admission.** It is the learner's responsibility to demonstrate fulfillment of the current admission requirements of Milwaukee School of Engineering at the time of entry.
2. **Advising.** Milwaukee School of Engineering will provide academic advising to Gateway learners inquiring about MSOE programs, and will provide materials, catalogs, and other information to Gateway academic advisors to facilitate their understanding of requirements and programs. Gateway will assist Milwaukee School of Engineering in arranging recruitment events on its campuses.
3. **Marketing.** Any marketing of this agreement will be subject to the prior approval of both parties and will adhere to each institution's standards for the use of its name and logo. Each institution will assume responsibility for appropriate marketing to reach its student population. Each institution may provide a link to this agreement and/or the other institution at its website, with notice to the other party.

4. **Accreditation.** Both parties agree that failure to maintain regional accreditation will be grounds for termination of the agreement. Failure to maintain accreditation required by the specific academic program(s) referenced in this agreement will be grounds for exclusion of that program from the agreement.
5. **Tracking of Use.** Gateway desires to track the use of articulation agreements by students. When possible, Milwaukee School of Engineering will send Gateway the total number of credits transferred from Gateway annually or other data that can be conveniently produced.
6. **Periodic Review.** Gateway reviews its articulation agreements on a three-year cycle or earlier if curricular or institutional policy changes warrant. Each institution agrees to notify the other of significant curricular or policy changes in a timely manner.
7. **Cancellation.** Both parties agree to provide at least one-hundred eighty (180) days advance written notification of their intent to cancel this agreement. Gateway students who apply to Milwaukee School of Engineering prior to the cancellation date will be permitted to transfer credits under the agreement terms.
8. No additional conditions beyond those specified in this agreement exist.
