If, after review, it is determined you are an out-of-state resident and not eligible for resident tuition in Wisconsin, you can apply for nonresident fee remission (a waiver of out-of-state tuition). The fee remission form is available at <u>www.gtc.edu/forms</u>. Approval for this is based on financial neediness. Au Pairs are granted up to six credits or the equivalent each academic year by filing for nonresident fee remission.

If further information is needed to determine your residency, you will be notified in writing.

(initial) I certify that all of the above information is true to the best of my knowledge and that I intend to establish and maintain a permanent residence in Wisconsin/Gateway Technical College district. I understand that if the information is found to be inaccurate, I will be responsible for paying any additional fees associated with my education at Gateway. I will also be ineligible to enter Occupational Specific courses for program with waiting lists and/or petition for entry processes.
