

Successful College Students...

...have a schedule. Not only do they know when the tests and papers fall in the semester, but they have a good sense of what work needs to be done each week as the semester progresses. Use your planner and keep it balanced! With everything in gear there will be no worries come exam time.

TRiO Achiever's Groups (TAG)

Fall topics for TAG:

Selecting Main Ideas - Attend this practice session designed to help you identify the main ideas of what is being talked about in lecture or in your reading assignments.

SQ3R - No this is not a character on Star Wars! Find out about this unique study technique - Survey, Question, Read, Recite, Review.

Self Testing - How you prepare for a test depends largely on the actual steps you take to make sure you understand the content. This is called Self T

Study Aids - Study Aids are the various tools students use to be successful in college. Attend this session to find out your learning style and what study aids are right for you.

Testing Strategies - Learn tips to help you score high when taking various kinds of tests.

Remember to Complete your Student Success Plan!

Fun College Facts:

- There are almost 20 million students enrolled in U. S. colleges - a number growing at 4.5 percent a year.
- Almost 60 percent of college students are women, and 40 percent of college students are over the age of 25
- 2 year colleges are booming: over one-third of college students go to one.

You will never “find” time for anything. If you want time, you must make it.

~ Charles Bruxton
