**Gateway IT students take honors  
at national event**

Three Gateway Technical College students took honors recently at the Midwest Collegiate Computing Conference held March 26-28 in Grand Rapids, Mich.

Brandon Roberts (Burlington) took second place while Floyd Eck (Racine) and Michael Wall (Kenosha) received an Honorable Mention in the PC Troubleshooting competition.

Gateway's IT club, dig.IT, traveled to the conference to attend, learn and compete against students from 12 other colleges and universities. Students participated in several workshops and competitions. Gateway was the only two-year college that attended and competed.

Gateway Technical College's mission is to deliver industry-focused education that is flexible, accessible and affordable for our diverse community. The college collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
