**Gateway Horticulture students
to hold annual plant sale**

Gateway Technical College's Horticulture program will hold its perennial plant sale 9 a.m. to 1 p.m. Oct. 3 at the college's Pike Creek Horticulture Center on its Kenosha Campus 3520-30th Ave.

The event will feature several different house plants and perennials, including native varieties.

All sales directly benefit the Gateway Green Thumbs student horticulture club.

Gateway Technical College's mission is to deliver industry-focused education that is flexible, accessible and affordable for our diverse community. The college collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
