

2017-2018 Certificate

Certificate: INTRO TO PARAEducATOR CAREERS (61-522-1)

Credits: 12 Credits

Description: In this certificate, learners will focus on foundational practices to support students from preschool through grade twelve. The coursework covers theoretical applications to implement in the classroom based on best practices related to how children learn and develop. Learners will also be exposed to effective teaching strategies, classroom management techniques, and special education supports which can be implemented in the classroom to assist teachers and facilitate learning.
