

2015-2016 Internal Certificate

Certificate: **ACCOUNTING FOR VITAL COMMUNITIES (90-101-3)**

Credits: **13 Credits**

Description: This certificate will enable those who complete it to develop an appreciation for working to the benefit of their community, both locally and in the larger world-wide sense. Traditionally, accounting programs focus on teaching for-profit financial and management accounting with the idea of maximizing profit and don't take into account the impact of those practices on the stakeholders in their community.
