

2020-2021 Certificate

Certificate: DIGITAL PHOTOGRAPHY (90-204-6)

Credits: 12 Credits

Description: This certificate is a series of courses designed to teach advanced digital photography skills. Lighting, composition, depth of field, and creative approaches to photography will be studied. Digital tools will be explored as well as methods used to market skills as a photographer.

Note: Software purchase is suggested to participate fully in this certificate. Students enrolled in other programs, including Web Developer, Professional Communications, Marketing, and other business programs may be interested in this certificate.

Related Program: Graphic Communications

Campuses Available: Elkhorn and Racine Campuses and Online
