ADDITIONAL REQUIREMENTS

Students must maintain a minimum GPA of 3.0 in these courses to obtain the certificate.

Students with prior experience in Spanish can test out of some of the courses by taking an exam administered through Gateway's Credit for Prior Learning process. However, students must take at least 802-118 Spanish IV at Gateway in order to qualify for the certificate.

Student can also take the test developed by the American Council on The Teaching of Foreign Language (ACTFL), which sets nationally recognized standards for proficiency. The Gateway certificate would then state the level of proficiency attained based on ACTFL standards. An extra fee applies. See an advisor for details.
