

Basic Jail Academy

Gateway Technical College's 160-hour **Basic Jail Academy** offers students the opportunity to become certifiable as a **Basic Jailer** within the state of Wisconsin.

Academy recruits can be:

- those seeking the training needed to obtain an entry position as a County Jailer or Correctional officer.
- those also already hired by a County agency needing training.

Students will receive top-flight instruction which will prepare them well for the rigors and skills needed to be a **Basic Jailer** in Wisconsin.

The intense, 4-week **Basic Jail Academy** is scheduled 7:30 a.m. to 4 p.m. Monday through Friday.

The Spring Academy dates are scheduled for May 05th, 2014 – June 02nd, 2014.

Completion of the Jail Officer -160 hour Basic Training Course meets State of Wisconsin Law Enforcement Standards Board requirements for certification. Employed candidates become certified upon presentation of their academy transcripts to the Standards Board and upon board approval. Candidates seeking employment have three years from completion of the course to secure a County Jail Officer position in order to become certified.

Cost for the program is \$650.00.
