

2022-2023 Certificate

Certificate: INTRODUCTION TO THE VISUAL LANGUAGE OF DESIGN**
(90-304-3)

Credits: 9 Credits

Description: This certificate will provide information necessary and relevant for the first-time home decorator. Students will be introduced to and guided through the necessary principles of design, and will be taught about the uses of color. Instructors will inform and educate the student on the different textiles used in the home, including durability and maintenance. The student will study the styles and periods of furniture and design along with the appropriate window treatments and colors used in the period.

Related Program: Interior Design

The sequence shown is the recommended path to completion. Courses will be scheduled in the terms indicated here.
All courses should be taken in the order shown to help you stay on track and graduate according to your academic plan.
Courses in this program may be offered in a variety or combination of formats (for example: in-person, video conferencing, online, etc.).
