

2023-2024 Certificate

Certificate: **SECURITY PROFESSIONAL (61-504-6)**

Credits: **12 Credits**

Description: The Security Professional Certificate will prepare students to enter the private or public security field. Introductory criminal justice concepts will be covered, along with training in the developments and operations in the growing security field. Learners will receive instruction in professional communications and report writing, which will provide preparation for effective interactions and effective documentation of incidents. Students completing this certificate will be prepared for preferred employment opportunities in the security field.

Related Program: Criminal Justice Studies

The sequence shown is the recommended path to completion. Courses will be scheduled in the terms indicated here.
 All courses should be taken in the order shown to help you stay on track and graduate according to your academic plan.
 Courses in this program may be offered in a variety or combination of formats (for example: in-person, video conferencing, online, etc.).
