

2023-2024 Certificate

Certificate: **SPANISH PROFICIENCY FOR HEALTHCARE PROVIDERS
(90-802-2)**

Credits: **15 Credits**

Description: This certificate provides students with a working knowledge of Spanish: the ability to comprehend, read, write, and speak Spanish at least at the intermediate level. It includes vocabulary, grammar, and techniques specific to the healthcare field. The certificate includes extensive study of the cultural competencies necessary to deliver more effective healthcare to the Spanish-speaking population and will help develop the student into a culturally competent caregiver. Being proficient in Spanish makes students more valuable to employers and can distinguish them from otherwise equally qualified applicants for a job or promotion.

Related program: General Studies – World Languages

The sequence shown is the recommended path to completion. Courses will be scheduled in the terms indicated here.
All courses should be taken in the order shown to help you stay on track and graduate according to your academic plan.
Courses in this program may be offered in a variety or combination of formats (for example: in-person, video conferencing, online, etc.).
