**Gateway releases  
2010 graduation list**

Gateway Technical College graduated nearly 1,000 students from several Wisconsin and Illinois communities, with most of them living in the Gateway district of Racine, Kenosha and Walworth counties.

The official graduation list includes those who completed their course work and qualified for graduation December 2009 through August 2010. These individuals have earned associate degrees, which are generally two years of full-time study, and technical diplomas, which are approximately one-year of full-time study.
