**Gateway named Top 20 workplace  
among large employers in recent survey**

Gateway Technical College again has been named one of the top places to work among large employers in southeastern Wisconsin, according to the Milwaukee Journal-Sentinel's Top 100 Workplaces 2015 list.

Gateway ranked 16th in the large company category of businesses with 500 employees or more, as it employs 626. This is the sixth year of the survey, and Gateway was named among the top in that category for five of those years, twice in the top 10.

"I am proud of the many dedicated and inspirational employees who make up Gateway. Their focus on service and community building has created a culture of success and inclusiveness for all," said Gateway Technical College President and CEO Bryan Albrecht.

The Philadelphia-based Workplace Dynamics conducted the survey for the Journal Sentinel which invited companies of 50 or more employees from throughout Southeastern Wisconsin to take part.

For more information, please contact Bill Whyte at (262) 564-3228.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
