**Gateway to offer GrowthWheel  
seminar, helping small businesses grow**

Entrepreneurs and small business leaders seeking professional development and direction on how to grow their business are encouraged to attend Gateway Technical College's GrowthWheel seminar, 9 a.m. to 11 a.m. June 24 at its SC Johnson integrated Manufacturing and Engineering Technology Center, 2320 Renaissance Blvd, Sturtevant.

Tim Montague, Growth Wheel International vice president for sales and training, will provide an overview and direction for the conference.

Breakout sessions include business concepts, customer relations, operations and organization.

GrowthWheel is a structured approach to help clients focus and make business decisions which lead to action and help them to track their progress. Participants leave with action steps and a renewed sense of focus and organizational priorities.

Cost is \$10. To register, go to:
