**Lakeview Technology students again capture top honor  
at Gateway's Sumobot competition**

The Lakeview Technology Academy team of LakeView Legends captured first overall place at Gateway Technical College's annual SumoBot competition held May 2 at the college's Horizon Center for Transportation Technology in Kenosha.

This is the second straight year a Lakeview Technology Academy team has won the competition.

LakeView Legends team members also took first place in the Documentation and Presentation category and second in the Slalom category

Students and their robots competed in four events: Presentation and Documentation, Timed Task, Speed and Slalom and SumoBot wrestling.

Other results are as follows (school followed by team name):

**Sumo Bot**

First: Westosha Central High School, Long Arm Larry

Second: Westosha Central High School, Bomb Squad

Third (tied): Paris School, Trial & Error

Third (tied): Westosha Central High School, Iron Giants

### **Timed Task**

First: Reek Elementary School, Ro Bros

Second: Fort Atkinson Middle School, Dominating Doves

Third: Westosha Central High School, Long Arm Larry

### **Slalom Run**

First: Elkhorn Area High School, Malleus

Third: Westosha Central High School, Iron Giants

### **Presentation and Documentation**

Second: Elkhorn Area Middle School, Las Chicas

Third: Fort Atkinson Middle School, Team Overdrive: Reboot

Organizers say the event provides a way for students explore engineering design from start to finish while having fun. For more information, contact Pat Hoppe (262) 886-7518.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
