**Student club to hold computer clinic
Computers also for sale**

Have problems with your computer? Looking to buy a computer at a reduced price? Computer slow – and you need it to speed up?

Gateway Technical College's student chapter of the Association of Information Technology Professionals will hold a computer clinic 9 a.m. to 2 p.m. – with a final computer drop-off time of noon – Nov. 11 in the Erie Room R108 of the Racine Building on Gateway's Racine Campus, 901 Lake Ave.

AITP members will also sell used and restored computers at the fund-raising event from 10 a.m. to noon.

There is a two-computer limit per person, and attendees should not bring the mouse, keyboard or monitor.

Those bringing laptop computers should bring their own power supply.

Computers will be worked on in a first-come, first-served basis until capacity is reached.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
