**Student club to hold computer clinic  
Computers also for sale**

Have problems with your computer? Looking to buy a computer at a reduced price? Computer slow – and you need it to speed up?

Gateway Technical College's student chapter of the Association of Information Technology Professionals will hold its first computer clinic of the academic year, a way for the public to have their computer issues addressed while providing a training opportunity for students. The clinic will be held 1 p.m. to 7 p.m. Oct. 17 on Commons area of the Academic Building on the Kenosha Campus, 3520-30<sup>th</sup> Ave.

AITP members will also sell used and restored computers at the fund-raising event.

There is a two-computer limit per person, and attendees should not bring the mouse, keyboard or monitor. Those bringing laptop computers should also bring their own power supply.

Computers will be worked on in a first-come, first-served basis.

There will also be concessions, a raffle and games at the event.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
