**Gateway to hold open house for workers, businesses,
featuring apprenticeship opportunities, information**

Gateway Technical College will host an apprenticeship open house for businesses looking for skilled workers, as well as job-seekers interested in entering a career field in the trades, 5 p.m. to 8 p.m. Nov. 15 at Gateway's SC Johnson iMET Center, 2320 Renaissance Blvd., Sturtevant.

Those attending can ask experts question on apprenticeship, meet apprentices, attend a business and recruiting expo and talk to companies that have apprenticeship programs. There will also be skills demonstrations in robotics, welding and computer numeric control as well as hands-on activities at Gateway's Fab Lab.

For more information, call Gateway's Apprenticeship Department at (262) 564-2954.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
