**Gateway to hold open house for workers, businesses;
features apprenticeship opportunities, information**

Gateway Technical College will host an apprenticeship open house for businesses looking for skilled workers as well as job-seekers interested in entering a career in the trades, 3 p.m. to 7 p.m. on Nov. 15 at Gateway's SC Johnson iMET Center, 2320 Renaissance Blvd., Sturtevant.

Attendees can ask experts questions on apprenticeships, meet apprentices, attend a business and recruiting expo and talk to companies that have apprenticeship programs. There will also be skills demonstrations and hands-on robotics, welding and computer numeric control activities in Gateway's Fab Lab.

For more information, contact Gateway's Apprenticeship Department at (262) 564-2954 or apprenticeship@gtc.edu.

Gateway Technical College's mission is to deliver industry-focused education that is flexible, accessible and affordable for our diverse community. The college collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
