**Gateway to offer workshop
on Eastern bluebirds**

Want to know more about Eastern bluebirds? Want to learn how to attract them to your yard?

Gateway Technical College will hold a free workshop featuring Rick Fair, with Hoy Audubon, on the annual life cycle of the Eastern bluebird and how to attract them to your yard, 4:30 p.m. to 6 p.m. March 29 at the college's Center for Sustainable Living on its Kenosha Campus, 3520-30th Ave.

The workshop will also show how to place nest boxes, predator control and other tips on their habits.

The presentation is free, but those attending are asked to RSVP center program manager Kallie Johnson at johnsonka@gtc.edu or (262) 564-2196.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
