**Gateway to hold  
birding seminar**

Well-known area birding expert and Hoy Audubon Society member Rick Fare will deliver a presentation on the birds of Wisconsin and birding techniques, 4:30 p.m. to 6 p.m. August 1, with another session on August 29, at Gateway Technical College's Center for Sustainable Living on its Kenosha Campus, 3520-30<sup>th</sup> Ave.

Fare will provide information on bird identification techniques, understanding bird behavior and binocular basics.

The presentation is free, but those attending are asked to RSVP center program manager Kallie Johnson at [johnsonka@gtc.edu](mailto:johnsonka@gtc.edu) or (262) 564-2196.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
