**Committee begins receiving
applications for Gateway Board of Trustees**

The Board Appointment Committee for the Gateway Technical College District Board of Trustees has begun accepting applications from district residents seeking appointment to the board.

Deadline to apply for the appointment is noon February 23.

Three seats currently held by board members Jesse Adams, Scott Pierce and Roger Zacharias are open for appointment. The three-year appointments for those seats begin July 1, 2021, and end June 30, 2024.

One seat is from Walworth County, one is from Racine County and one is districtwide. In addition, the group of those selected must also meet the following criteria:

- One must be an employer member. In general, this is someone who possesses the power to hire, suspend, layoff, fire, promote or reward other employees, and also to suspend, recall or handle discharges and grievances of other employees.
- One must be an employee member. In general, this is someone who is employed but does not meet the classification of an employer member.

- One must be a school district administrator. In general, this is someone who serves as a school district superintendent, supervising principal or otherwise acts as the administrative head of a school district. This is a districtwide seat.

In addition to meeting the job categories above, the selection of the three board members from the field of candidates must also ensure that board county-of-residency requirements are filled. Women and minorities are encouraged to apply.

Applications must be notarized, include two letters of reference, and applicants must be present at the 5 p.m. March 16 virtual appointment committee public hearing and be interviewed. Chairpersons of the Kenosha County, Walworth County and Racine County boards of supervisors make up the interview committee.

Those interested in applying can obtain the application/affidavit packet:

- Online at www.gtc.edu/board-packet
- From Kelly Bartlett, front desk of the Inspire Center on the Kenosha Campus, 3520-30th Ave, Kenosha.

For questions, contact Kelly Bartlett, bartlettk@gtc.edu.

Gateway Technical College's mission is to deliver industry-focused education that is flexible, accessible and affordable for our diverse community. The college collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
