### **Gateway to hold mulch workshop**

Gateway Technical College will host a mulching workshop, "Donuts or Volcanoes: The Basics of Mulching" 4:30 p.m. June 6 at the Center for Sustainable Living on its Kenosha Campus, 3520-30th Ave.

Susan Oby, Master Gardener and Master Composter, will outline the benefits and downsides of mulching as well as the different types of mulch material, how to choose mulch and proper application techniques.

The workshop is free and open to the public. Those interested should RSVP to Center Manager Kallie Johnson at (262) 564-2196 or [johnsonka@gtc.edu](mailto:johnsonka@gtc.edu).

Gateway Technical College's mission is to deliver industry-focused education that is flexible, accessible and affordable for our diverse community. The college collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
