**Gateway expands its annual  
free haircuts to support veterans event**

Gateway Technical College's Barber Technologist program has expanded its annual veterans cut-a-thon event to include free haircuts at all three of its program sites.

Students and program alumni will hold the event, which benefits the Gateway Student Veterans club, 10 a.m. to 6 p.m. Nov. 10 at the following three sites:

- The Barbering Studio, Room S139, Science Building on Gateway's Kenosha Campus, 3520-30th Ave. (262) 564-2210.
- The View on 5 Salon & Spa, Room 501, Technical Building on Gateway's Racine Campus, 1001 S. Main St. (262) 564-2215.
- The Cut: Powered by Andis, 425 Milwaukee Ave., Burlington. (262) 564-2890.

Walk-ins and appointments are available at all sites. The college first began holding the annual veteran's cut-a-thon in 2016.

There will be opportunities at each site to give monetary donations to support the club. All proceeds will be used by the club to hold veteran events, participate

in veteran events and activities, or serve the needs of the college's student-veteran community.

Gateway Technical College's mission is to deliver industry-focused education that is flexible, accessible and affordable for our diverse community. The college collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
