Spring 2023 dean's list released

Gateway Technical College has released its Spring 2023 Semester dean's list. This award is reserved for students who completed at least 6 hours of postsecondary course work – not including development/remedial credits – and achieved a grade point average of 3.75 or higher. Dean's list calculations are based on courses that have finished (been graded) by the end of the traditional semester.

This distinction recognizes the determination, dedication and effort necessary to attain this level of academic success. All hometowns are from Wisconsin unless otherwise listed.
