**Gateway Foundation seeking nominations
for annual Distinguished Alumni award**

The Gateway Technical College Foundation Inc. has begun accepting nominations for the annual Distinguished Alumni Award.

The award is presented to Gateway Technical College graduates who have achieved at an exemplary level of excellence in their field, made significant contributions to that field and exhibit outstanding leadership, character and service. It is awarded during commencement ceremonies in May.

Gateway has a long history of successful alumni. Those who know of an outstanding graduate of the college are urged to nominate them for this prestigious honor. Last year's honoree was John Kiel.

Letters of nomination are due in the Foundation office by March 15. A nomination form can be found on Gateway's Web site at <https://www.gtc.edu/nomination-form>. For more information, please contact Celeste Henken (262) 564-2644.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
