Dr. King celebration**

Gateway Technical College will hold its 23<sup>rd</sup> annual Dr. Martin Luther King Jr. Celebration, noon, Jan. 16, in the Madrigrano Auditorium of the Conference Center on its Kenosha Campus, 3520-30<sup>th</sup> Ave.

State Rep. David Bowen will be the keynote speaker for the celebration. This year's theme is "The King in You."

Doors open at 11:30 a.m., and the afternoon event will also include the annual educational summit held directly following the celebration. This year's summit will focus on English Language Learner and bilingual educational needs in the Gateway district, a topic that generated much interest at the inaugural summit and it was decided upon to be explored this year.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
