**Gateway to hold online event  
to assist students seeking to enroll**

Gateway Technical College is enrolling students for its Summer and Fall semesters and will hold an online, virtual event to connect potential students with Gateway Student Services experts who can help with any questions about the college, its programs or any steps needed to begin their educational journey.

The event will offer assistance with applying, registering for Summer or Fall classes, financial aid, program questions and help with documents that must be submitted to start the semester.

Gateway advising, student finance, recruitment and admissions teams will be available to assist students. Learning Success and support services experts will also be available to discuss free services and support services.

The event will be held online at:

- April 28: 4 p.m. to 6 p.m.

Pre-register or join the day of the event: [www.gtc.edu/fast-track](http://www.gtc.edu/fast-track)

Gateway Technical College's mission is to deliver industry-focused education that is flexible, accessible and affordable for our diverse community. The college collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
