Application period opens for high school seniors to apply for Gateway scholarships

Gateway Technical College Foundation Inc. has announced the application period has opened for interested graduating high school seniors to apply for scholarships to the college.

Deadline to apply for scholarships is April 1.

High school student scholarships are open to high school students who graduate in the current academic year, have earned a minimum 2.0 grade point average in high school and have completed the online application.

“Applying for a Gateway Foundation scholarship helps graduating high school students keep their education more affordable at Gateway,” says Foundation Executive Director Jennifer Charpentier. “A couple of hours of a student’s time can result in a \$500 or \$1,000 scholarship. We are grateful to our donors who make this possible.”

High school student scholarships available through the Foundation are:

- Gateway President’s Opportunity Scholarship
- Gateway Central High School Scholarship
- Gateway Foundation High School Student Success Scholarship

- Gateway Technical Education Association Scholarship Fund for High School Students
- Dave Dixon Transportation Scholarship
- Gabriella Ortiz Memorial Scholarship
- Jessica Tueting Esch Memorial Scholarship (High School)
- KABA Catalyst2Career for High School Students Scholarship

The online application for the scholarships can be found at <https://www.gtc.edu/foundation-scholarships>.

For more information, please contact Jennifer Charpentier at (262) 564-2866.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
