**Foundation ceremony celebrates
206 scholarship recipients**

The Gateway Technical College Foundation, at its annual award ceremony Feb. 4, awarded 253 scholarships totaling \$258,800 benefiting 206 students by helping them fulfill their career and educational goals.

"It was wonderful to celebrate Gateway students and generous donors in person," said Gateway Technical College Foundation Executive Director Jennifer Charpentier.

"Our recipients are grateful for the generous investment in their education from Foundation donors. Many students would not be in school this semester if they did not receive a scholarship. This type of investment changes the lives of Gateway students – forever.

"It also changes families and our communities. Our students and our Foundation remain grateful."

For more information on the Foundation – including ways to contribute – please contact Charpentier at (262) 564-2866 or visit www.gtc.edu/foundation.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
