**Big dreams ... start at
a Gateway open house**

Those looking to start the path to realize their career dreams are encouraged to attend a Gateway Technical College open house event to be held on all three of the college's main campuses the week of July 15.

Events will be held 4 p.m. to 7 p.m. at each of the locations, featuring instructor-hosted informational and interactive presentations as well as lab and equipment demonstrations for featured program areas.

Dates for each of the campuses are:

- **Kenosha Campus**, 3520-30th Ave., July 16
- **Racine Campus**, 1001 S. Main St., July 17
- **Elkhorn Campus**, 400 County Road H, July 18

The open house events will also offer guidance on how to apply for college, pay for college and complete a financial aid application.

The \$30 application fee is waived for those applying during the event.

One area students are looking at are Industry 4.0-related careers. Students who take courses in the college's Advanced Manufacturing and Supply

Chain Management programs will gain the skills to in-demand career fields at area manufacturers, including Foxconn.

Potential students can visit any – or all – of the open house events, although each campus will feature specific programs. For more information, please go to: gtc.edu/openhouse

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
