### **Gateway to hold annual plant sale to benefit Horticulture students**

Gateway Technical College's Horticulture program will hold its annual Gateway Greenhouse Plant Sale 9 a.m. to 2 p.m. May 11 and June 1 at the Pike Creek Horticulture Center on the Kenosha Campus, 3520-30<sup>th</sup> Ave.

Many different spring blooming plant varieties will be offered, including pansies, snapdragons, alyssum, diascia, nemesia and green foliage plants. Sales help pay for Horticulture student industry and career exploration trips, scholarships, garden needs and general program needs.

For more information, please contact Kate Field at [fieldk@gtc.edu](mailto:fieldk@gtc.edu).

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
